**Legally, you don't have to  
deliver racist or fascist  
material.**

**The far-right are puppets  
of the rich who would  
destroy democracy and  
trade unions, so we  
support any postie who  
refuses to deliver their  
tripe. We certainly don't  
want any here.**

**Fascist propaganda? Just  
bin it!**
