

LIVERPOOL ANTIFASCISTS
WORKING CLASS UNITY AGAINST FASCISM

KICK THE NAZIS
TO THE CURB

NO TO RACISM | NO TO HATE

Working class communities are under attack. Unemployment is soaring as jobs and services are cut and our schools and NHS face privatisation. Meanwhile, the bosses continue to reap billions of pounds in profit and are only getting richer as we suffer.

But the far-right have no answer to these attacks. Instead, they offer us division - telling us that different sections of the working class are to blame because of their ethnicity, religion or country of origin. Whilst working class people wage a real fightback with strikes, pickets and demonstrations, all they can do is wave flags and point to scapegoats.

Don't let fascists blame other poor and working people for our problems. When was the last time you saw the far-right stood on a picket line supporting workers who were fighting for their jobs? When was the last time you saw them fight against a maternity ward closure? Division is exactly what the bosses want, allowing them to cut wages and working conditions. The way to fight back is to unite workers, not to divide us as the far-right seeks to do.

We fully understand why working-class communities feel abandoned by politicians. But the BNP, National Front, English Defence League, English Democrats and British Freedom Party are NOT the answer to our problems - they are FASCISTS. Reject the politics of hate and help us to build a movement which will confront and dismantle their hateful ideas once and for all.

Liverpool Antifascists was set up by ordinary people just like you to stop the fascists and expose their lies.
