Cow mask

Take some great pictures with this fun cow mask.

Materials per hat

- 1 x A4 white foam sheet
- 1 x A4 pink foam sheet
- 1 x A4 black foam sheet
- Scissors
- Glue gun
- Skewers
- Pencil

Instructions

Use your pencil to draw an oval shape on your white foam sheet for the base of the cow nose and cut out.

Using your pencil again, draw the shape for the pink part of the nose on the pink foam sheet and cut out.

Cut out two small black circles for nostrils.

Glue the pink foam onto the white and the nostrils on last.

You can either glue a skewer to the side to be able to hold the mask to your face or cut out a spare piece of black foam.
