

OUR ROVING CAMERAMAN

THE aboriginal people in this State are scattered over a wide area, so far apart that many of them may never meet, but the magic camera can bring to us intimate glimpses of these people and enable us to become better acquainted with each other.

If you have photos at home, similar to those you see published in *Dawn*, send them along and thus add to, and maintain, the interest in your fellow men and women.

D. Quinlan and M. Kelly two stalwart Bellbrook footballers.

Mamie Mosely and Grace Vale of Burnt Bridge.

Mary French of Moree and her friend Carl on the riverbank.

Heather Wilson of Cherry Grove, Wallendbeen, still finds the weather warm enough for swimming.

Maureen and Nancy Cain of Burra Bee Dee, looked smart in their fashionable plaids.

Another bevy of beautiful girls from Burnt Bridge who enjoyed posing for the camera.
