## World Migration Report 2015 – Migrants and Cities: New Partnerships to Manage Mobility

ISSN 1561–5502  
ISBN 978-92-9068-709-2  
USD 60

The World Migration Report (WMR), IOM's flagship publication, meets an ongoing need for governments, academia and other practitioners with a serious interest in migration to be kept abreast of trends in international migration – both at global and regional levels –, emerging policy issues and developments in policy formulation. The first World Migration Report in 2000 responded to a specific need expressed by the IOM Membership for state-of-the-art information and documentation on international migration.

## No. 25 – International Dialogue on Migration

### Conference on Migrants and Cities

122 pages  
English  
ISSN 1726-2224

On the occasion of the fiftieth anniversary of the International Organization for Migration in November 2001, IOM's governing Council launched a process of International Dialogue on Migration, with the goal of increasing understanding of migration and enhancing cooperation in its management. This series captures the results of the dialogue at each relevant Council session, while additional issues are produced to facilitate the Council dialogue. Vol. 1 to Vol. 18 - USD 18

## No. 33 – Glossary on Migration

106 pages  
Georgian  
ISSN 1813-2278

The International Migration Law (IML) Series seeks to promote the understanding and awareness of the legal norms and principles that govern the movement of persons today, with regard to both rights and obligations of migrants and States' responsibilities. It provides in one source definitions for terms used in the migration domain, and offers thematic analysis of specific migration law issues. The IML Series is coordinated by IOM's International Migration Law and Legal Affairs Department.
