

HUEY NEWTON: "WE SUPPORT THE PALESTINIANS 100%"

"We realize that some people who happen to be Jewish and who support Israel will use the Black Panther Party's position that is against imperialism and against the agents of the imperialist as an attack of anti-Semitism. We think that is a backbiting racist underhanded tactic and we will treat it as such. We have respect for all people, and we have respect for the right of any people to exist. So we want the Palestinian people and the Jewish people to live in harmony together. We support the Palestinian's just struggle for liberation one hundred percent. We will go on doing this, and we would like for all of the progressive people of the world to join our ranks in order to make a world in which all people can live."
