

EXCHANGE TRADED PRODUCTS

NYSE Arca is the premier venue for listing and trading Exchange Traded Products (ETPs), offering unparalleled market quality, liquidity and execution from one of the world's most recognizable financial brands. For issuers, we provide end-to-end service from idea inception, to index development and calculation services, to product listing and trading. For liquidity providers, we offer a robust trading platform and enhanced market making programs that support our exchange position as the deepest source of ETP liquidity.

- NYSE Arca is ranked #1 in the listing and trading of ETPs with nearly 1,540 ETPs listed on our exchange
- NYSE Arca has the greatest number of lead market makers (LMMs) of all U.S. exchanges
- NYSE Arca operates fully automated, transparent opening and closing auctions in all ETPs
- NYSE Arca's fully electronic trading platform delivers the benefits of deep liquidity, transparency and tremendous speed and efficiency
- NYSE Arca offers significant price improvement opportunities at the midpoint in all securities
