#### TO THE MEMBERS OF UNITED FIREFIGHTERS' UNION OF AUSTRALIA

#### The financial report and committee of management's responsibility

We have audited the financial report of United Firefighters' Union of Australia for the financial year ended 30 June 2009 comprising the Committee of Management report Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow and accompanying notes to the financial statements as set out on pages 5 and 8 to 17.

The committee of management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### **Auditor's Responsibility**

We conducted an independent audit in order to express an opinion to the members of the organisation. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Union's financial position, and of its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee of management.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

#### Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2009

#### Note 1 - Accounting Policies

The Union is a non-reporting economic entity. These financial statements are a general purpose financial report prepared in order to satisfy the requirements of the Fair Work (Registered Organisations) Act 2009.

In accordance with generally accepted accounting principles for such organisations, membership contributions are accounted for on an accruals basis. Unless otherwise stated, the accounts are prepared under the historical cost convention and do not take into account changing money values, or except where stated, current valuations of non-current assets. The accounts have been drawn up in accordance with the Accounting Standards jointly issued by the Australian Accounting Bodies and as required by law.

#### (a) Depreciation

Fixed assets are depreciated over the period of their expected effective lives.

#### (b) Employee Entitlements

Provision is made for the Union's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries and annual leave which will be settled after one year, have been measured at their nominal amount.

Contributions are made by the Union to an employee superannuation fund and are charged as expenses when incurred.

#### (c) Comparatives

The comparative figures in the accounts are for the twelve months ended 30 June, 2008.

#### (d) Income Tax

No provision for income tax is necessary as Trade Unions are exempt bodies under Section 50-15 of the Income Tax Assessment Act 1997.

#### (e) Stock on Hand

All stocks of stationery, printed materials and other consumables are written off immediately on acquisition through the income and expenditure account.

#### Note 2 - Basis of Preparation

These accounts are the accounts of the national body of the United Firefighters Union of Australia. They do not include the accounts of each of the branches of the Union which are constituted under its rules and in accordance with the provisions of Section 271 of the Fair Work (Registered Organisations) Act 2009.
