* Items so marked are classified as payments 'through' the States.

(a) The apparent reduction in SPP legal aid funding to the States and Territories between 1997-98 and 1998-99 reflects the nature of individual State legal aid agreements with the Commonwealth and is balanced by a corresponding increase in non-SPP legal aid funding paid directly to service providers.

(b) Estimates for Transfer Pathology Laboratories, Artificial Limbs Scheme, Australian Bone Marrow Donor Registry and Medical Speciality Centres have been incorporated in Health Care Grants to the States from 1998-99 onwards.

(c) Includes a notional distribution of \$60 million to reduce public hospital waiting lists under the Critical and Urgent Treatment Waiting List Incentive Programme. The distribution of this amount is indicative only and does not represent a commitment on the part of the Commonwealth. The final distribution will depend on the conclusion of negotiations on the Australian Health Care Agreements.

(d) The amount shown for 1997-98 is less the amount some States chose to use as part of their State Fiscal Contributions.
