

STRIKE AGAINST PRISON SLAVERY STRIKE AGAINST WHITE SUPREMACY

SUPPORT THE NATIONWIDE PRISONER STRIKE ON SEPTEMBER 9TH 2016

Forty-five years after Attica, the waves of change are returning to America's prisons. This September we hope to coordinate and generalize these protests, to build them into a single tidal shift that the American prison system cannot ignore or withstand. We hope to end prison slavery by making it impossible, by refusing to be slaves any longer.

To achieve this goal, we need support from people on the outside. A prison is an easy-lockdown environment, a place of control and confinement where repression is built into every stone wall and chain link, every gesture and routine. When we stand up to these authorities, they come down on us, and the only protection we have is solidarity from the outside.

Prison impacts everyone, when we stand up and refuse on September 9th, 2016, we need to know our friends, families and allies on the outside will have our backs. This spring and summer will be seasons of organizing, of spreading the word, building the networks of solidarity and showing that we're serious and what we're capable of.
