

MEDIA STATEMENT: ROBERT FOSTER

14 July 2016

The National Gallery of Australia is very saddened at the news that artist, designer and Fink + Co founder, Robert Foster has tragically died. A prominent Canberran and globally recognised designer, Robert's craftsmanship, innovation and sense of aesthetics made him one of Australia's leading contemporary designer/ makers.

His works in hollowware, jewellery and sculptural lighting are held by all of the major institutions in Australia, including the NGA, which has an extensive collection of his work. He was a great friend of the NGA and our thoughts are with his family and all those who were fortunate to know and love him.
