20 December 2016

Your Excellency

Antony Lowenstein is a member of our union and a well known freelance journalist in Australia.

We write to seek your assistance in ensuring he continues to receive appropriate support and accreditation to continue his journalism while in Israel.

We have been concerned by recent reports suggesting the Government Press Office in Israel may be considering either withdrawing or not renewing his accreditation. As an issue of free speech, any assistance you could offer would be greatly appreciated.

Yours sincerely

Paul Murphy
Chief Executive Officer
