CONSTRUCTING OUR WORLD

NZIOB HOSTED

International Construction Conference

VENUE: PULLMAN, AUCKLAND

The New Zealand Institute of Building (NZIOB) in collaboration with the Australian Institute of Building (AIB) and the Singapore Institute of Building Limited (SIBL) is hosting our inaugural collective International Construction Conference.

THE CONFERENCE WILL
BE ASKING THE QUESTION:

**WHAT DOES THE FUTURE
OF THE CONSTRUCTION
INDUSTRY LOOK LIKE?**

'Constructing our World' will bring to New Zealand, speakers who are at the forefront of global construction innovation, and whom will share new technologies and techniques that have the ability to transform the sector and our built environment.

THINK:

The identification of the next wave of construction 'best practice' that is yet to lap onto our shores.
