

No. 148.—BROAD SOUND, YAAMBA, MARYBOROUGH, AND ST. LAWRENCE.

By FREDERIC MULLER, Esq.

In this vocabulary of Broad Sound, Yaamba (camp), Maryborough, and St. Lawrence, which was forwarded to me by Mr. Frederic Muller, many words will be noticed very similar to those which occur at Port Mackay, whilst others agree with those of Rockhampton, the Upper Barcoo, and the Diamantina. The word *Bina* = *ear* is occasionally met with as far south as Queanbeyan.
