

THE COLLECTOR'S WODEHOUSE

Raise a glass as this is a time for celebration. The Collector's Wodehouse—all 99 titles—is complete!

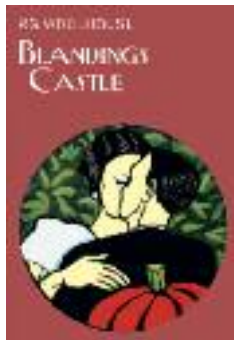

Wodehouse was that perfect Anglo-American: his subject was nearly always England, but he became an American and lived on Long Island. The Collector's Wodehouse series is itself a wonderful amalgam of British and American cooperation, conceived by David Campbell at Everyman's Library in London and proudly published in the U.S. by Overlook.

Wodehouse will always be part of our most joyous reading experiences. The Collector's Wodehouse, now complete, is the first full hardback series of Wodehouse's works by any one publisher. In every case, the editor has gone back to the first edition of each book and corrected errors that had crept into the innumerable paperback editions. Each book has been re-typeset using that classic English typeface, Caslon. Further, these are printed on acid-free paper, are sewn and bound in full cloth, and have jacket art by the superb Andrzej Klimowski.

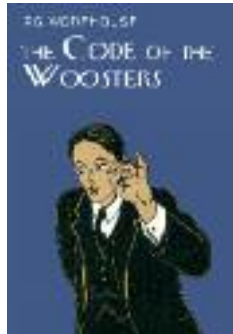

Three boxed sets, one on Jeeves, another Blandings and a third soon celebrating Plum's interest in golf are published as an accompaniment to our completion of The Collector's Wodehouse.

Peter Mayer, Publisher, The Overlook Press

The Blandings Boxed Set
includes:

The Jeeves Boxed Set
includes:

Jeeves and Blandings Boxed Sets

For diehard fans and those who've not yet made their acquaintance with the master, two beautifully packaged boxed sets, each featuring three Wodehouse classics.

“Wodehouse's novels are the very definition of British humor—bubblingly witty and dryly loony. And as Overlook continues its reissue of these absurd soufflés, you can buy the work for yourself in suave hardcover volumes, the dust jackets as natty as the prose.”

ENTERTAINMENT WEEKLY

*It has been well said that an author who expects results from a first novel is in a position similar to that of a man who drops a rose petal down the Grand Canyon of Arizona and listens for the echo.

P.G. Wodehouse in his Own Words

Barry Day and Tony Ring
300 pp 978 1 59020 865 6
\$15.95

A sparkling collection of excerpts from the master's own writings that reveals a wonderfully entertaining gloss on Wodehouse's own life story. Quotations from a literary career spanning more than seventy years are arranged in chapters that move from childhood, to school years, to the various preoccupations of the grown man. a linking narrative, skillfully supplied by Wodehouse aficionado Barry Day, and former President of the International Wodehouse society Tony Ring brilliantly ties all the material together.

“Perfect comfort book, at once soothing, funny and touching . . . *Wodehouse in his Own Words* will send you scurrying out for Plum's novels and short story collections.” – *Washington Post Book World*

“Delectable compendium of quotes from Bertie Wooster's creator.” — *The Village Voice*
