"As an architectural engineer, I had a strong technical background. The Carey MBA gave me the solid business skills I needed. I gained confidence, have a thorough understanding of pro formas and financial spreadsheets, and can make presentations with ease. It's simple, I would not have been able to transition into my current role with a private developer in New York City without the Carey MBA."

**Sean Flynn**

MBA 2014, Concentration: Real Estate and Infrastructure

## Innovative CURRICULUM

Exposure to both traditional and real-world project-based courses allow program graduates to advance in their current field or transition into a new sector.
