Noise Demonstration outside the Home Office and Border Force in Wales

UK Border Force and Home Office, together with their military partners are busy defending the borders, to make sure UK plc can mine, trade and exploit beyond the UK without the risk of too many people coming along to ask for a receipt.

From these offices life and death decisions are made and dawn raids ordered and carried out.

Come make some noise to show how we feel about their work!

12:00PM, Tuesday 2nd Sept,
31-33 Newport Road, Cardiff
