

# He is an Expert with a Boomerang

Here's a man whose boomerang always comes back.

Mr. Fred Powell, of Peak Hill, is pictured by the *Dubbo Liberal* during an exhibition of boomerang throwing which he gave at the annual Dubbo Show.

Mr. Powell's skill with a boomerang is becoming well known. He entertained a group of American tourists on a "Jolly Swagman" tour last year, and he also appeared at Bathurst in last year's Festival of Fun.

His daughter, Joan, was a member of the Western Districts swimming team.
