

A bark painting by Moree Aboriginal artist Ellen Draper has been added to the collection of art at Moree High School. Letters

Dear Editor,

Sometimes I get a little lonely and time drags a little, so could you please find a penfriend for me to write to? I am 19 years of age, with black hair and brown eyes. My hobbies are boxing, listening to pop music, dancing, driving fast cars and football. I would like a girl penfriend aged between 16 and 21 years.
