SMOKE SIGNALS

►WEILMORINGLE FORMS HOUSING SOCIETY

The Weilmoringle community has formed a housing company for the purpose of building new homes. At the moment the committee and the Lands Trust are in the process of negotiating to obtain 16 acres of the Weilmoringle station lease where the people have traditionally camped with the permission of the management.

It is intended that should the present owner of the station agree to surrender that part of the lease, the Housing Company will take it over and proceed with construction of its new homes. The committee consists of: Cecil Brown (Chairman), Marjorie Brown (Secretary), Josie Byno (Treasurer), Vera Byno (Deputy Chairman), Roy Barker, Ceatrice Brown, and Jenny Hart.
