

Petition to protect Pakistan's Christians

We, the undersigned, petition the Prime Minister to call upon the government of Pakistan to take action to promote justice and equal human rights for all irrespective of faith or any other diversity.

The Blasphemy Law of Pakistan (sections 298A and 295 B&C of the penal code) is being used to settle personal vendettas. We ask that the Blasphemy Law provide universal protection for all faiths, with better auditing of authorities involved with its practical application, or that the law be repealed in its current form.
