Thinking about something else...

Q34 Have you seen, read, or heard the news coverage about Congressional testimony recently given by Former Secretary of State Hillary Clinton about the death of four Americans in an attack a few years ago on a U.S. diplomatic outpost in Benghazi, Libya? (IF YES:) And, have you seen, read, or heard a lot or just some about this?

<u>TOTAL YES</u>	79

Q35 Based on what you have seen, read, or heard from Hillary Clinton regarding the terrorist attack a few years ago on a U.S. diplomatic outpost in Benghazi, Libya, are you basically satisfied or not satisfied with her response? If you do not know enough about this issue to have an opinion, please just say so.

Q36 Republicans in Congress are holding an investigation into the death of four Americans in an attack a few years ago on a U.S. diplomatic outpost in Benghazi, Libya. From what you have seen, read, or heard, would this investigation be better described as being (ROTATE) fair and impartial or unfair and too partisan? If you do not know enough about this issue to have an opinion, please just say so.

Q37 Now, thinking about what you have seen, read, or heard about Hillary Clinton's use of a private email server during her time as Secretary of State, would you say it IS or it is NOT an important factor in your deciding whether to vote for her as president. If you do not know enough about this issue to have an opinion, please just say so. (IF CHOICE, THEN ASK) Do you feel that way strongly or not so strongly?

Q38 Please tell me how well each of the following statements describes how you feel about the direction of the country. Does the statement describe how you feel ... (ROTATE TOP TO BOTTOM/BOTTOM TO TOP) very well, somewhat well, not too well, not well at all? (RANDOMIZE)

I feel angry because our political system seems to only be working for the insiders with money and power, like those on Wall Street or in Washington, rather than it working to help everyday people get ahead. October 25-29 2015.....	69	42	27	16	14	1
I feel proud that America continues to make progress as a tolerant nation that over the past generation made significant steps to protect the rights of African Americans, changed how we view the role of women, and today has moved to accept gay and lesbian marriage. October 25-29 2015.....	63	27	36	16	18	3
I feel anxious and uncertain because the economy still feels rocky and unpredictable so I worry about paying my bills, day to day living costs, and whether I can count on my own situation being stable. October 25-29 2015.....	61	31	30	19	19	1
I feel cautiously optimistic about where things are headed. It is important to remember how bad the economy was just a few years ago. The economy is improving, more Americans now have health insurance and those with pre-existing conditions are covered, more jobs are being created, and things seem to gradually getting better. October 25-29 2015.....	58	24	34	16	25	1
A lot of what is happening today makes me feel uneasy and out of place in my own country. Things seem to be heading in the wrong direction with our letting millions of immigrants into the country illegally, letting religion slip out of our public life, and moving to be more accepting of gay and lesbian rights. October 25-29 2015.....	48	25	23	14	35	3
