

Coopers have released commemorative cans of Premium Light beer to celebrate The Bible Society's 200th anniversary. In doing so, we aren't trying to push a religious message, we see these commemorative cans as a celebration of the Bible Society's 200 years of charitable work in Australia.

We want you to know that Coopers did not give permission for our Premium Light beer to feature in, or 'sponsor' the Bible Society's 'Keeping it Light' video featuring Andrew Hastie and Tim Wilson.

We respect the beliefs of our community and do not wish to try and change them. Our family brewery is made up of individuals from a number of different backgrounds, all of whom hold differing views on politics and religion, which we think is reflective of the wider community.

We would like all Coopers fans to know that we support and embrace all of our beer drinking community.
