Le Lagoto Resort & Spa is located on the big island of Savai'i, Samoa, on a secluded white sand beach, fringed by coconut palms and crystal clear water. We are a boutique resort with 10 Samoan style bungalows and two family rooms — each offering the modern conveniences of a larger resort in an intimate, idyllic setting. Spend your time soaking up the sun and tropical views, or refreshing your body in our infinity pool. Let the sand tickle your feet as you stroll along the beach, then treat yourself to a thirst-quenching cocktail at our poolside bar and some of the island's finest and freshest fare in our beautifully styled restaurant.

It is with good reason, and much pride, that we take the name Le Lagoto — Samoan for sunsets — as ours are truly sensational!

We can help make your wedding dreams come true... picture your beautiful bride being paddled ashore to the sounds of a Samoan wedding song; your groom waiting on the soft white sand, beneath an arch of fresh tropical flowers — you are married to the sounds of the ocean and island hymns, with the South Pacific breeze swaying through the palm leaves.
