

WOMEN OR MEN IN UNDER-REPRESENTED DISCIPLINES

If you are planning to apply for a course that has historically been under-represented by your gender, you may be eligible to receive additional consideration under this category.

Eligibility:

A list of specific courses that are relevant for each gender are below.

How to apply:

If you applying for your course via the Victorian Tertiary Admissions Centre (VTAC): In addition to submitting your online course application, complete a Special Entry Access Scheme application via the VTAC website (www.vtac.edu.au) using the 'Gender' section of Category 1: Personal information and location.

If you are applying for your course via Direct Entry: In addition to completing and submitting your 'Direct Entry Application Form' you will need to submit a 'Victoria University Direct Admission Special Consideration Application' form using Category 7: Men and Women in Under-represented Disciplines.
