Title: Gunggandji land and sea country plan

Publication info: Gunggandji PBC Aboriginal Corporation, \*2013

Physical descrip: 1 online resource : colour illustrations, maps, portraits

Abstract: "This plan is another significant step along the journey that the Gunggandji People have taken over many years towards recognition of our role as owners and managers of our land and sea country. Following our native title determination in 2011, Gunggandji People saw the need to make a plan on how to carry out cultural and legal responsibilities to manage our land and sea country. This plan is an expression of our commitment to our country and culture, and to future generations of Gunggandji People and others who depend on our land and sea environments and resources." -- Taken from Introduction
