Dear Donald,

Thank you for your letter of 20th July and for responding once again to my call for a reference. Not long after lodging the application for a Churchill, I received notice of an award from the Myer Foundation of \$500 - and for this I also owe you some thanks.

My congratulations to the A.M.S. on the grant to reprint *Musicology I*. This is good news.

Best wishes & kindest regards
Yours sincerely,
Alice
