COLLECTION OVERVIEW

Scope and content note

The collection includes correspondence, field notes and other material relating to research on health and related subjects undertaken by Reid at Yirrkala in Eastern Arnhem Land, Northern Territory.

There is also material relating to Reid's work with the Commonwealth House of Representatives Standing Committee on Aboriginal Affairs.

Provenance

This collection was donated to the AIATSIS Library by Professor Janice Reid in 1991.

Material separated from collection

Two tapes, a box of slides and photographs received with this collection have been passed to the Audiovisual Archive.

For access to this material contact the [Audiovisual Archive](#).

Arrangement of collection

The original files, and the order within the files, has been maintained by the Library. However, the Library has imposed a series arrangement on the collection.

Related material

Important:: Before clicking on the links in this section please read our [sensitivity message](#).

For a complete list of other works by [Janice Reid](#) consult [Mura®](#), the AIATSIS catalogue. For access to audiovisual material contact the [Audiovisual Archive](#).

Archivist's note

Outsized documents have been transferred to Plan Cabinet, as follows:

Series 4, Gumatj geneology is held in PC6, drawer 1.

Series 8, Folder 2, Sorcerers of Healing (maps), are held in PC6, drawer 1.

Series 9, Items 1-3, are held in PC6, drawer 5.

Series 12, Cyclone Tracy, press cuttings, are held in PC6, drawer 1.

BIOGRAPHICAL NOTE

'Professor Janice Reid, FASSA, AICD, AM, has been Vice-Chancellor President of the University of Western Sydney since April 1998. She is a recipient of several awards and honours both in Australia and overseas, and has been a member of the boards of public agencies at State and Federal levels in the health, welfare, schools, higher education, energy, international relations and cultural fields. She has served on the Higher Education Council, committees of the National Health and Medical Research Council, the Academy of the Social Sciences in Australia, the Queensland Museum, Queensland Institute of Medical Research (QIMR) and as Chair of the Australian Institute of Health and Welfare from 1995 to 2001. She is currently on the Board of Integral Energy and the Commonwealth's Council for Australia Latin America Relations.

In 1994 she chaired the national review of nursing education in Australia. Her own research has been as a medical anthropologist in the field of indigenous and refugee health and health care, occupational and mental health. Professor Reid was made a Member of the Order of Australia in January 1998 for services to cross-cultural public health research and the development of health services to socio-economically disadvantaged groups in the community.'

Series 3 Yirrkala K.A.P study, 1975

The **Knowledge, Attitudes and Practices** (K.A.P.) of women survey is an instrument used to determine family health and planning.

This series contains 'Yirrkala K.A.P. preliminary report', by Janice Reid. It is based on data collected in January and February 1975 as part of a research programme in medical anthropology conducted with the approval of the Town Council.

The research was funded by grants from the National Health and Medical Research Council

(principal investigator Professor J.E. Cawte) and the United States National Science Foundation. Copies of the report are also held by the Library at PMS 2324 and PMS 4359.

There are also completed, handwritten data sheets and a set of comments.

Access: *Depositor's permission required for access, copying and quotation. [Access code: A3a B1]*

One folder

[Back to top](#)

Series 4 Genealogies, 1974-75

This series contains a sketch pad containing raw data for genealogies in a family tree format. It is annotated on the front 'all well cross-checked with elders i.e. Mungurrawuy's generation ("pre contact")'. There is a word list of parts of the body on one page.

A draft of the end product 'Gumatj genealogy: 2nd draft', by I. Banguyari, is held by the Library at MSM 75. Note that it also has closed access, copying and quotation conditions.

Access: *Closed access - depositor's permission. Closed copying & use - depositor's permission [Access code: A3a B1]*

One folder

Series 5 Data on Yirrkala

This series contains papers, mainly on health matters, relating to Yirrkala. Included are 'Yirrkala Community Review 9th – 11th January 1980', newspaper clippings, book chapters, reports, handwritten notes, such as notes from the Commonwealth Parliament's House of Representative Standing Committee on Aboriginal Affairs, papers from the Commonwealth Department of Aboriginal Affairs, minutes of meetings held at Yirrkala, election brochure for Gatjil Djerrkura and extracts from the *Annual Report* of the Northern Territory Welfare Branch.

There are also two Nabalco public relations publications [one held by the Library at P NAB]; correspondence, such as that with the Northern Territory Department of Health, results of environmental health surveys at Angurugu, Galiwinku (Elcho Island), Milingimbi, Umbakumba and Yirrkala in 1977; and the fifth report of the Northern Territory Department of Health Maternal and Infant Mortality Committee, May 1979

Most of the papers are photocopies

Two folders

[Back to top](#)

Series 6 Yirrkala research material

This series consists of research papers, mainly relating to health, on Yirrkala. Included are completed questionnaires, statistical tables, handwritten notes and drafts, and comments from Diane Barwick on 'Revised outline for thesis 'Aboriginal healing...'. Also included is a paper entitled 'Some observations on evangelical movement at Donydji Outstation, April – June 1980',

by Neville G. White.

Access: Closed access. Depositor's permission required for access, copying and quotation. [Access code: A3a B1]

One folder

[Back to top](#)

Series 7 Yirrkala - Other papers

Folder

- 1 'The Aboriginal population based on Yirrkala', by E.P. Milliken, Darwin, Department of Aboriginal Affairs, 1974. Photocopy. [Also held by Library at MS 1348]
- 2a-2b 'Bill Gray's report: comments on political undercurrents in Yirrkala community, 29 February 1966'. Includes minutes of Yirrkala Village Council meeting of 10 April 1970. Photocopies

Access: Closed access. Depositor's permission required for access, copying and quotation. [Access code: A3a B1]

- 3 Minutes of Village Council meeting held on 10 April 1970 to discuss working clan lands, having a village in outstation areas, what will be happen once land rights court case won, effects of changes on mission and use of trust fund money; and meeting held on 10 May 1971 at Yirrkala to discuss land rights and mine exploration
- 4 Gumatj language lessons. Roneoed
- 5 Yirrkala and Elcho Island. Includes *Cyclone! Christmas in Darwin 1974*, Sydney, Sydney Morning Herald, 1975; 'Galiwinku Church news' 12 May 1974; plans for Yirrkala Area School (photocopies); some minutes from the Yirrkala Town Council (1974-75); papers relating to road rules, marriages, mythology, personal needs and financial arrangements of United Church employees; 'Approach to the Aboriginal people and culture' and 'Traditional Yolnu culture' [no dates or authors]; map of Galiwinku township; two completed questionnaires about outstation life; correspondence relating to visits when Reid was a research officer with the National Health and Medical Research Council (June 1974) and papers relating to Australian Government and to National Health and Medical Research research grants

[Back to top](#)

Series 8 Sorcerers and healing spirits

This series contains papers relating to Reid's work entitled *Sorcerers and healing spirits* published in Canberra by the Australian National University in 1983. A copy is held by the Library at B R356.12/S1. It consists of maps of Aboriginal communities, mainly in the Northern areas of the Northern Territory. There is also a diagram of the course and management of a typical illness.

Two folders (Folder 2 held in Manuscript Plan Cabinet 6, drawer 1)

[Back to top](#)

Series 9 Children's drawings

Yirrkala School children's images of sorcerer (Galka) and healer (Marrnggitj), 1974. The children's names are on the drawings and on many there are annotations describing the subject

of the drawings.

Three folders (held at PC6/5)

[Back to top](#)

Series 10 Proposals and papers

This series consists of correspondence and other papers relating to research proposals and grants.

Included are Appendix to 'Ethnomedicine and medical acculturation in Highlands New Guinea', a PhD proposal submitted to the National Science Foundation by Janice C. Reid, (Ph.D Candidate and Project Director) and Clifford R. Barnett (Ph.D, Professor of Anthropology, Stanford University and Principal Investigator); and an associated proposal submitted to the National Science Foundation by Stanford University.

Also included is 'Health in an Aboriginal community: tradition and change, research proposal and field report', written by Reid after a three month stay at Yirrkala (1 January 1975).

Access: Depositor's permission required for access, copying and quotation. [Access code: A3a B1]

One folder

[Back to top](#)

Series 11 Standing Committee on Aboriginal Affairs

The series contains transcripts of evidence from the Commonwealth Parliament's House of Representatives Standing Committee on Aboriginal Affairs. Most of the series relates to the conditions of the people at Yirrkala and the effect that the presence of Nabalco mining operations on the Gove Peninsula had on them.

The Library holds copies of the Committee transcripts at S 33.1/3.

Items

- 1 Evidence relating activities in the field of Aboriginal affairs in the Commonwealth Departments of Health, Social Security and Education, taken from Departmental representatives in Canberra, 8 October 1973
- 2 Present conditions of Yirrkala people taken at Darwin, 5 February 1974 and 12 February 1974
- 3 Evidence taken at Nhulunbuy, 8 February 1974
- 4-5 Evidence on present conditions of Yirrkala people from Roy Marika, Daymbalipu, Mungurrawuy, Birrikijji, Wulanybama, Narritjin, Gatjil, Yinitjuwa, Millirrpum, Yinitjuwa, Wandjuk, Djewiny, Dundiwuy and others, taken at Yirrkala, 9-11 February 1974
- 6 Reference: Yirrkala, taken at Sydney, 9 September 1974
- 7 Present conditions of the Yirrkala people, evidence taken at Canberra, 15 October 1974 and 24 September 1974
- 8 Correspondence relating to Reid's work with the Committee. Mainly related to refunds for expenses and travel with the Committee. Includes handwritten note relating to places visited and places where hearings were held

[Back to top](#)

Series 12 Cyclone Tracy, Darwin, 1974

This series consists of newspaper clippings on Tropical Cyclone Tracy which hit Darwin in the early hours of Christmas Day 1974 (held at PC6/1). It caused extensive damage and led to the evacuation of most people from the town. There is also a booklet on the cyclone in Series 7, Folder 5.
