The parties to this action, through their undersigned counsel, have conferred and have reached an agreement with respect to the plaintiff's motion for partial summary judgment and the defendants' motion for a stay of proceedings with respect to the Federal Bureau of Investigation ("FBI"). At the hearing held on December 15, 2009, this Court indicated its intent to partially grant the plaintiff's motion for partial summary judgment, and to grant the defendant's motion for a stay. The Court also directed the parties to submit proposed orders reflecting this disposition of their respective motions. Each party maintains its objections to the granting of the other party's motion. However, the parties have now reached an agreement as to the content of an order that would reflect the Court's intent, and they respectfully ask that the Court enter an order as follows.
