Title: Bininj Kunwok : kunwok dja mankarre kadberre=our language, our culture
Publication info: Bininj Gunwok Project, *2014
Physical descrip: 1 online resource : colour illustrations, photographs, map
Abstract: "This website has fully searchable menus containing information in the form of text, images and spoken words in the various languages of the people from this region; also includes information about the culture and environment with English translations. Bininj Gunwok is a name used for a chain of six mutually intelligible dialects which stretch from Kakadu National Park in the Top End of the Northern Territory south to Pine Creek and Manyallaluk, across the Arnhem Land plateau and east to the Mann, Liverpool and Cadell Rivers districts and as far east as some outstations south of Ramingining in central Arnhem Land. Bininj Gunwok is perhaps best known in the anthropological literature by the name of one of its dialects, namely Kunwinjku (spelt

'Gunwinggu' before the development of a standard practical orthography). The terms used by the speakers of each of the six dialects for the name of their particular dialectal varieties are - Kunwinjku, Kuninjku, Gundjeihmi, Kundedjnjenghmi, Kune and Mayali. The audio tracks were made by Murray Garde for learner's of Bininj Kunwok." [Nawu Njale?-About]
