

Greetings Folks:

It was a stormy Saturday night, the wind was blowing, rain coming down hard and the lights went out in Sacramento. Fortunately, not at the Women's Civic Improvement Club where the lights were on and so was the Birthday Party and fundraiser. We raised \$3,861 for Charlotte's UAACC Leader's of Tomorrow Children's Home Bus Program. Comrades and friends came from all around to party and support Sister Charlotte's Youth Program. Many people like brother Emory Douglas, Dr. Small and his wife, and brother Frank Kellums drove up from the Bay Area. Many local people also came out. There were many Sacramento Panthers in the house, even brother Charles Brunson came out. He looked well and was dressed sharp.

This evening was for Birthday girls Gail Shaw, Charlotte O' Neal and Julie Edgcomb. They all turned 60 and all three have deep roots in the legacy of the BPP. This evening was made possible through the hard work of Gail Shaw. I remember sitting in the family room last year when Gail and Charlotte first started talked about having a party. Well, we had a very good Party Saturday.

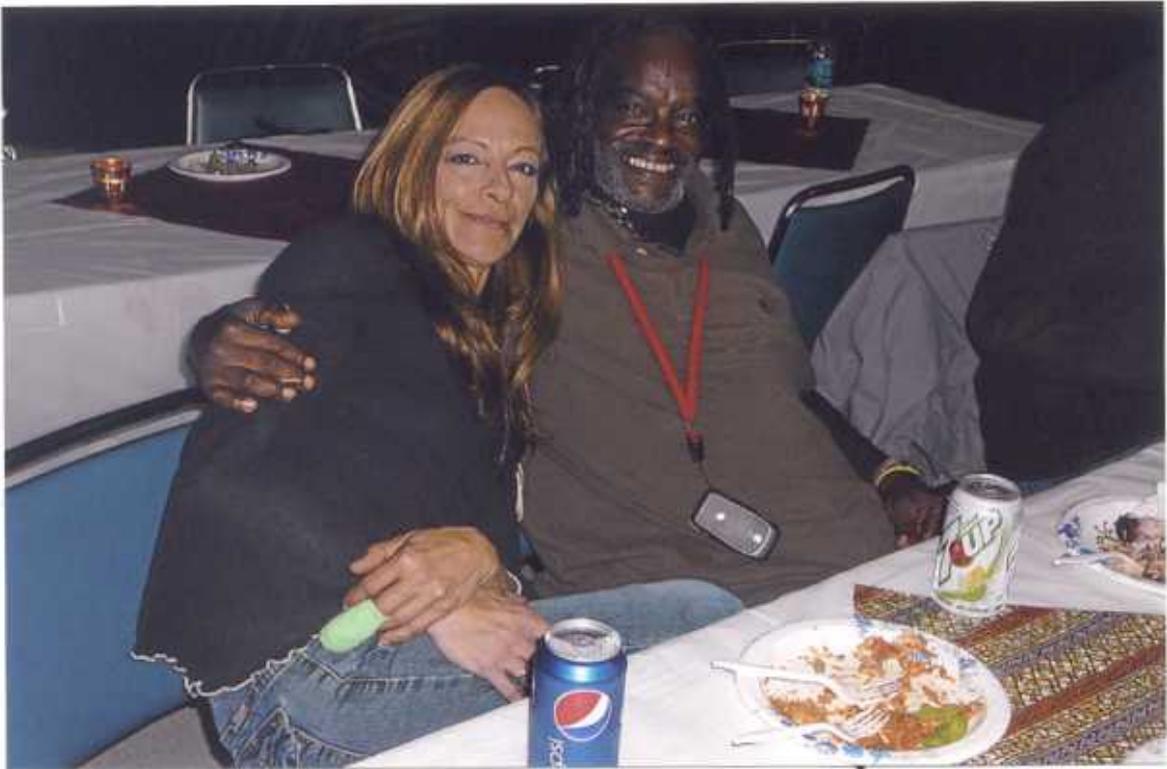

The music was provided by my old friends the "Caribbean All Stars" - the best reggae band in Northern California. There was also a performance by "Samba da Terra" - Brazilian Drummers and Dancers. Gail is member of It's About Time and Samba da Terra and put on a very good performance.

Thanks to the band, the performers, all the people who helped set up and clean up and especially those who brought the great food! Special thanks to all who donated to the Leaders of Tomorrow Children's Home.
