

SOCIALIST STUDENTS ALLIANCE

S.S.A. 1969 CONFERENCE

The Socialist Students Alliance Conference will be held at the University of N.S.W.

17th February-21st February 1969
in the Wirth Room, Roundhouse.

It is important to the success of the Conference that students and others who are intending to participate, prepare papers for discussion before they arrive. This is to ensure a high level of involvement of those at the Conference and thus any decisions made will be beneficial to the radical student movement in 1969.

Billots will be arranged for those arriving from Newcastle, Woolongong and interstate. If you will require a billot, please let me know as soon as possible.
