As a model, I am well acquainted with fashion trends and the various characteristics of fashion brands. Years of experience in fashion have given me a sharpened ability for combining sophisticated clothing in an aesthetically pleasing way. With an ear for the desires and needs of my customers, I will suggest ideal combinations of clothing items. My colleagues and I will gladly endeavour to meet your expectations.

Dear guest!

Bled is without a doubt one of the most distinctive tourist destinations in Slovenia. Bled's unmistakable vistas are perhaps better known than Slovenia itself. You simply cannot miss the opportunity for at least a short trip to Bled during your visit to Ljubljana. Allow me to suggest an unforgettable visit.

If you'd like a quick escape to nature, I recommend a game of golf at the Bled Golf Course. Not only is it the oldest golf course in Slovenia and celebrating its 75th anniversary this year, it is also known as one of the most beautiful golf courses in Europe. The renowned Golf World magazine has recently listed it in the 51st place among the best golf courses in continental Europe.

The best way for sightseeing in Bled is the traditional way - a carriage ride around the lake. Each point along the way offers different magnificent vistas of the island with the chapel, the mighty medieval castle on a high cliff and the highest Slovenian Alpine peaks in the background. You will be astounded by the various hues of the lake's exceptionally clear water.

And finally, an invitation concerning my passion. You can conclude your day at Bled at the Promenada Gourmet Restaurant which I manage and indulge in the fine culinary delights. My restaurant staff will delight guests who are open to unreservedly enjoying the most imaginative dishes our inspiration and our finest ingredients can provide. Although we are proud of the good reviews we receive from food writers, our first and foremost quality is our passion for cooking that comes straight from our hearts. I hope we will be able to delight you too, and add the cherry to the cake of your visit to Bled.

Welcome!

Bine Volčič
