IMPORTANT INFORMATION ABOUT NEW YORK CITY'S TAX LIEN SALE

A lien is a legal claim against real property for unpaid property taxes, water, sewer or other property charges, and includes the interest due on the taxes and charges. The sale transfers the collection effort to an authorized buyer. The transfer of the lien is not a sale of your property, but if the debt is not paid, the lienholder can begin a formal foreclosure proceeding in court.

Properties on this list owe (1) property taxes and accrued interest to the Department of Finance (Finance), (2) water and sewer charges and accrued interest to the Department of Environmental Protection (DEP), and/or (3) Emergency Repair Program (ERP) or Alternative Enforcement Program (AEP) charges and accrued interest, which are assessed by the Department of Housing Preservation and Development (HPD) and billed by Finance.

IF YOUR PROPERTY IS LISTED IN THIS NOTICE

Once a lien is sold, the new lienholder can collect a 5% surcharge, interest and other administrative fees. To prevent the sale of a lien on your property, you must resolve your debt with Finance and/or DEP on or before May 11, 2017, by:

- Paying the full amount of your debt.
- Entering into a payment agreement or bringing a defaulted agreement up to date.

EXCLUSION RULES

If your property is a 1- to 3-family house or a residential condominium and it is owner-occupied, you will be excluded from the lien sale if you qualify for the Senior Citizen Homeowner Exemption, the Disabled Homeowners Exemption, the State Real Property Tax Credit for Homeowners ("Circuit Breaker") and certain Veterans Exemptions. Active duty military personnel may request exclusion by completing an affidavit.

PAYMENT AGREEMENTS

You may be able to enter into a payment agreement to avoid the tax lien sale. You can enter into an agreement without a down payment. You must apply for the agreement in person at any Finance and/or DEP Business Center. An agreement can last as long as ten years. To stay current, you must also pay new taxes and charges on time. To keep your property out of the lien sale, you must sign a payment agreement on or before May 11, 2017. You may not be able to enter a new payment agreement if you are in default on an agreement you already have with Finance and/or DEP.

NOTICE OF INTENDED SALE OF TAX LIENS ON REAL PROPERTY BY THE CITY OF NEW YORK

The New York City Department of Finance and the New York City Water Board intend to sell all or a portion of the liens on the real property listed below at a sale to be held on or about May 12, 2017. In order to prevent the sale of a lien, you must arrange payment of property taxes and/or payment of water/sewer charges by May 11, 2017.

The following is a list of properties from the records of the New York City Department of Finance and New York City Water Board which currently have liens that are eligible for the lien sale under the City's Administrative Code. A list of the liens that may be included in the proposed sale is available online at nyc.gov/finance or for inspection in the Office of the City Register in each borough except in Richmond County, where you must visit the Office of the County Clerk.

SPECIAL NOTICE FOR RECORD OWNERS AND/OR THE PROPERTY THAT IS THE SUBJECT OF A BANKRUPTCY CASE UNDER TITLE 11 OF THE UNITED STATES CODE (THE "BANKRUPTCY CODE")

The intended sale of a lien as described in this notice is not an act of collection. The proposed purchaser of the liens, a Delaware trust (the "Purchaser"), cannot, unless authorized by the Bankruptcy Court, take any act of collection on a lien during the time the record owner and/or the property is the subject of a bankruptcy proceeding as set forth in the Bankruptcy Code (the "Restrained Acts"). The Restrained Acts include the application of the 5% surcharge, any statutory interest rate increases, notification costs, and any penalty amounts or any act to enforce the liens by act of foreclosure or other legal means without first obtaining appropriate judicial relief. Thus, for properties with an assessed value of \$250,000 or less, interest on any Department of Finance charges sold will accrue at the rate of 6 percent per annum, compounded daily. For properties with an assessed value of over \$250,000, interest on any Department of Finance charges sold will accrue at the rate of 18 percent per annum, compounded daily. Interest on any Department of Environmental Protection charges sold will accrue at the rate of 9 percent per annum, compounded daily. Additionally, any time period which commences upon the sale of the Bankruptcy Tax Liens shall be tolled during the time the related property owner is in bankruptcy. The Purchaser will reserve its rights, upon removal of the record owner and/or the property from the protections set forth in the Bankruptcy Code, to take all appropriate legal actions.
