# PA Showcases

bambu
Blog. CMS. Branding

Bambu is a fashion and accessory shop in Cheung Chau, in order to make Bambu special, we create some storylines for visitor to meet Bambu:

Bambu has many stories about happy customers and handcraft artists behind the scene.
Her shopkeeper is not a panda, you are always welcome to come and visit her.
She will tell you more about the misterious part of Cheung Chau Island.

Social Indicatiors
CMS(Drupal) . Re-design

Revamp of Social Indicators, May 2012

Previous version :
Small indicators' icons
in a clean and tidy look
and feel

Revamped Interface, 2012 April

Improvement:

- Re-design: The research data are based on the society
  of HK, HK related design elements in infographic
  style can help to draw attention to both ideas:
  regional and research data.
- Social Networking sharing
- interactive carousel
- Automatically data sync for biennial update
