

Sanak is a true testament to a retreat that has been consciously handpicked with humanity in mind. Venture off the beaten track to our place in North Bali and immerse yourself in the spirit of the land and our kinfolk.

SANAK

SANAK ABOUT

SANAK, WHICH TRANSLATES TO 'KINFOLK', IS A HUMBLE YET STUNNING LITTLE RETREAT SET WITHIN THE ECOLOGICAL PLAYGROUND OF NORTH BALI. WITH A PHILOSOPHY OF HANDPICKED WITH HUMANITY IN MIND, OUR 11 BUNGALOWS ARE PERFECTLY LOCATED AT BANJAR DIMAS MENAGUNG, DESA KAYUPUTIH, BULELENG, BALI.

A picturesque 3 hrs drive from the airport, Sanak is close to the renowned hill station of Munduk, which is highly acclaimed for its outstanding environment-think Clove, Coffee & Cacao plantations or a challenging trekking adventure where all of your senses will be delighted. During your journey to SANAK, you will venture through monkey-laden jungles, ancient rainforests, picture perfect rice terraces and three sparkling lakes - Bratan, Buyan and Tamblingan.

SANAK offers transfers to and from the airport as well as pick-up and drop-offs anywhere on the island. SANAK is centrally located about 45 minutes drive from the coastal village of Lovina and 2 hours from the enchanting town of Ubud.

We feel privileged to be surrounded by a traditional agricultural site where the agrarian method of Subak is protected and maintained by the local community. Subak is a complex system combining spiritual practices, irrigation technology, and social organisation so special that 5 sites in Bali have been added to UNESCO's world heritage list as a practice of outstanding universal value to humanity and we will work with the local keepers of this wise practice to support this outstanding spiritual way of farming and draw inspiration from this in everything we do at Sanak. Some may say it is 'off the beaten track' but we say 'Welcome to the real Bali'.

SANAK KITCHEN TABLE AND BAR

WE BELIEVE THAT PEOPLE COME TO A PLACE TO EXPERIENCE FIRST AND FOREMOST THE ESSENCE OF THE LAND AND ITS CULTURE. SO WE ENSURE THAT A BALINESE CULINARY EXPERIENCE IS AT THE FOREFRONT OF OUR CULINARY OFFERINGS AT SANAK.

SANAK BAR

What will truly set our little bar apart will be a condensed but considered array of unusual botanical infusions and distillations inspired by local produce. There simply won't be a better way to cap off a day by the pool or an evening of play than by sitting back and imbibing in this atmospheric little hub.

PRIVATE DINING & PICNIC

Are available in handpicked locations on the property, in your bungalow or within the surrounding local area with your very own private chef and waiter.

SANAK KITCHEN TABLE & BAR

Bali's best produce, authentic service and a perfectly executed wine list...hmmm...need we say more. The heart of our retreat will not disappoint.

A highlight will be the produce sourced from the finest purveyors across Bali with wild crafted, vegan and sustainably farmed dishes clearly noted on our menu.

Not only will we offer traditional Indonesian fare, but the odd twist will sometimes come into play. We understand the comforts of home and have taken particular care to select comfort food from around the globe delivering an array of experiences that surprise and delight on a daily basis. The communal kitchen table vibe with a focus on shared dishes will be the perfect excuse to sit for hours and graze through our menu. If there is something from home you simply crave yet it isn't on the menu, ask and SANAK will do their best to deliver.
