

The High Jump. Up and over the bar goes Errol Stevens. Errol jumped well, but first place went to Jeff Tungai. The white boy on the left of the picture came third.

However Errol was to do better later on for he outclassed a smart field to win the Under 15 Mile. Here we see him being congratulated and about to be presented with the cup.

Jeff Tungai showed he was a versatile all-rounder by winning the Hop Step and Jump. Just look at that expression of sheer determination.

The day ended all too soon and the youngsters set out for home a happy and victorious little bunch, all looking forward to another day out.
