

# SMOKE SIGNALS

---

► The news that three prominent Aboriginal personalities were mentioned in the Queen's Birthday Honours list is truly a smoke signal for the Aboriginal people. Mrs Kathleen Walker and Mrs Kathleen Eileen Lester both received M.B.E.s in recognition of their services to Aborigines as well as to the community in general. Mr Phillip Roberts of the Council for Aboriginal Affairs was awarded the O.B.E. Warmest congratulations to all three of you!
