# BAD REPORTER

Despite increasing terror attacks around the world, U.S. citizens are WAY MORE panicked about the recent choices of our nation's **COMEDIANS**. Never has it been a worse time for a comedy festival to enter our politically correct S.F. borders. But "Clusterfest" held firm ...

### Clusterfest comedy safe zones collapse during Seinfeld joke

Source: Zones barely withstood 1978 Rich Little material

UC Berkeley students still recovering from Hannibal Buress joke.

By Peter Hartlaub

Hundreds of sensitive local students were devastated on Sunday during Comedy Central's sarcasm-fueled "Clusterfest" when several comedians told jokes that may have been offensive to certain people who may have resembled those whom those jokes may have been about. The situation escalated when Black Bloc protesters silenced any rim shots by destroying all available snare drums in the immediate area. Police were unable to restore comedy

Safe zone collapsing Sunday.

SOME festival safeguards were effective. An Ancestry.com booth was set up so that BLOOD TESTS could determine what ethnic percentage of you might be offended ...

ancestry.com

It says **THAT** offends you.

Oh.

**COLOSSAL CLUSTERFEST**

You'll be personally offended by jokes satirizing Iberian Peninsula people\*

Europe	94%
Iberian Peninsula	33%
Great Britain	25%
Italy/Greece	20%
Ireland	10%
Trace Regions	6%

\*Avoid comedians T.J. Miller, Ice Cube

Unfortunately, sometimes safe zones and blood tests aren't enough to protect young people from comedy. Fortunately, Clusterfest organizers offered special **COMEDY SERVICE DOGS** to help comfort attendees during particularly hurtful, inappropriate racial jokes ...

Stay calm. Asians are **NOT** bad drivers.\*

\*Comedy Service Dog is correct: The Danish are, by far, the worst drivers in California.

But service dogs are a temporary fix. As **TOXIC** emissions from **Kathy Griffin** and **Bill Maher** raise the **CO<sub>2</sub>MEDY** levels in our air, only **ONE MAN** can guide us from **EXTINCTION**. And way back in **2015**, he handed us the key. But we weren't ready to listen. Will we **EVER** be?

Mexicans are **RAPISTS**.\*

2015

\*And some, I assume, are good people.

**TRUMP**

www.DonaldTrump.com

If only today's comedians would add these seven, easy words.

Perhaps President Trump's example can still save us. Imagine a world where comedians add caveats to their hurtful missives. History would be **VERY** different ...
