Mt. Washington Valley offers only one ski resort w/ two mountains combining all the best New England skiing has to offer - on a scale that will keep your family active and exploring for days on end. Offering endless possibilities - from classic cut, winding trails to wide open cruisers. Together, the two mountains provide 78 trails and natural glades, and a terrain park unmatched in the Valley - all supported by a service driven staff and the most powerful snowmaking system in the state. Attitash consistently delivers the most rewarding experience winter has to offer. Ski in & out at the Attitash Grand Summit Hotel, the only slopeside hotel around. Until you've skied Attitash, you haven't skied the Valley! G5
