THE CHOICE

THERESA'S TORIES: WE'VE BEEN HERE BEFORE.

STRAIN ON OUR WALLETS

Bills, childcare costs and travel fees are going up but the Tories have dropped their promise to raise living standards.

MAKE WORKERS PAY

The only jobs created in Tory Britain are low paid and insecure. Wages are lower now than in 2010. Bad bosses thrive with anti-union laws.

OUR NHS ON LIFE SUPPORT

Underfunding, waiting lists, staff leaving and A&E closures. Our NHS is on the critical list. Five more Tory years will finish it off.

RISKING OUR COMMUNITIES

Tories have cuts 12,000 frontline police in just five years. Tories promised to build affordable homes but didn't manage 1000. Promised 200,000 starter homes - they didn't build one.

DENYING OUR CHILDREN A CHANCE

Teachers cut, schools without paper, now scrapping school meals. Our children don't stand a chance with the Tories.

PUTTING OUR PENSIONERS OUT IN THE COLD

The Tory triple whammy - scrapping the triple lock, cutting Winter Fuel payments, raising the State Pension age - and now the hated 'Dementia Tax'. Misery for millions of older people.

A DANGEROUS TORY BREXIT

A Tory Brexit will put the interests of big business before our jobs, rights and communities.

LABOUR: HERE FOR YOU, NOT THE FEW.

RAISING LIVING STANDARDS

Under Labour, you keep more of what you earn, keeping energy bills low, ending costly rail privatisation, and providing free childcare for families.

MAKE WORK PAY

Labour will invest in our industries, modernise trade union laws, scrap tribunal fees, end zero hours contracts and guarantee a minimum wage of £10 per hour.

TREATING OUR NHS WITH CARE

Labour will stop A&E closures, scrap hospital parking charges, ensure NHS staff get a proper wage and restore nurse bursaries to fend off staff shortages.

PUTTING OUR COMMUNITIES FIRST

Under Labour, our communities will be stronger. 10,000 more police, 3000 more firefighters. Rents will be affordable. One million homes will be built, half of those social housing.

GIVING CHILDREN THE START THEY DESERVE

Labour will stop the cuts, keep class sizes to under-30, will give our youngest children a hot meal. Labour will scrap tuition fees.

PROVIDING PENSIONERS THE DIGNITY THEY DESERVE

Labour will care for our elderly keeping the Triple Lock, Winter Fuel Payments and free bus passes. A National Care Service will ensure quality, secure support for those in need.

A BETTER UK OUT OF THE EU

Labour will put working people first. Protecting jobs, reducing migration through regulation and safeguards, making our communities stronger.

**FOR WORKING PEOPLE, THERE CAN ONLY BE ONE CHOICE.
ON JUNE 8, VOTE LABOUR.**
