

*The undersigned young Australian male citizens,
being of an age making us liable for military
service, declare that—*

WE OPPOSE OVERSEAS CONSCRIPTION

because:

- We believe that we may be sent to fight in Vietnam in a war which is opposed by such world leaders as Pope Paul and thousands of the world's churchmen—the Prime Ministers of India and Canada, and most of the world's governments—General de Gaulle and Senator Fulbright, and millions of the world's citizens. **This would be a moral wrong and an unjust call upon our lives by the Government of our country.**
- We stand beside those American citizens who themselves are opposed to the war.
- We support the Australian Bishops in their call for Australia to seek a peaceful settlement in Vietnam and the thousands of Australian people in churches, in parliament, in trade unions, in community organisations and in homes and families who express opposition to this war.
- We are Australians—many of us are grandsons and sons of Anzacs and Diggers who fought as volunteers and never sought to be aggressors.

We share a fundamental belief that to safeguard the future of our nation, Australia's role in these perilous times is to seek an end to South East Asian disputes, through negotiations for peaceful settlements—not to pursue the murderous path to world conflict through prolonging the slaughter in Vietnam.

We ask: **HAS OUR GOVERNMENT DONE ALL IT CAN TO STOP THIS WAR?**
