4.4 Waiver. The availability of any civil remedy under this Agreement shall not prejudice the exercise of any other civil remedy under this Agreement or under any provision of law, nor shall any action taken by a Party in the exercise of any remedy be considered a waiver by that Party of any other rights or remedies. The failure of any Party to insist on strict performance of any of the provisions of this Agreement, or to exercise any right they grant, shall not be construed as a relinquishment or future waiver; rather, the provision or right shall continue in full force. No waiver by any Party of any provision or right shall be valid unless it is in writing and signed by the Party.

4.5 Waiver of Immunity. Horizon agrees that, to the extent that it or any of its property (including FCC licenses and authorizations and intangible property) is or becomes entitled at any time to any immunity on the ground of sovereignty or otherwise based upon a status as an agency or instrumentality of government from any legal action, suit, or proceeding or from setoff or counterclaim relating to this Agreement, from the jurisdiction of any competent court or the FCC, from service of process, from attachment prior to judgment, from attachment in aid of execution of a judgment, from execution pursuant to a judgment or arbitral award, or from any other legal process in any jurisdiction, it, for itself and its property expressly, irrevocably and unconditionally waives, and agrees not to plead or claim, any such immunity with respect to matters arising with respect to this Agreement or the obligations herein (including any obligation for the payment of money) in any proceeding brought by a U.S. federal, state or local Government Authority. Horizon agrees that the waiver in this provision is irrevocable and is not subject to withdrawal in any jurisdiction or under any statute, including the Foreign Sovereign Immunities Act, 28 U.S.C. § 1602 *et seq.* The foregoing waiver shall constitute a present waiver of immunity at any time any action is initiated by a U.S. federal, state or local Government Authority against Horizon with respect to compliance with this Agreement.

4.6 Forum Selection. Any civil action among the Parties for judicial relief with respect to any dispute or matter whatsoever arising under, in connection with, or incident to, this Agreement shall be brought, if at all, in the United States District Court for the District of Columbia.

4.7 Effectiveness of Article 4. This Article 4, and the obligations imposed and rights conferred herein, shall become effective upon the execution of this Agreement by all the Parties.

ARTICLE 5: REPORTING AND NOTICE

5.1 Filings Concerning *de jure* or *de facto* control of Horizon. If Horizon makes any filing with the FCC or any other U.S. Government Authority relating to the *de jure* or *de facto* control of Horizon, except for filings with the FCC for assignments or transfers of control that are *pro forma*, Horizon shall promptly provide to the Government Parties written notice and copies of such filing. This Section 5.1 shall become effective upon execution of this Agreement by all the Parties.

5.2 Change in Control. If any member of the management of Horizon (including officers and members of the Board of Directors) acquires any information that reasonably indicates that any single Foreign entity or individual, Foreign Governmental Authority, or Foreign Governmental Authority-controlled entity – other than those already identified to the Government Parties in connection with Horizon’s pending FCC application – has or will likely obtain an ownership interest (direct or indirect) in Horizon of more than 10 percent, as determined in accordance with 47 C.F.R. § 63.09, or if any Foreign entity or individual, Foreign Governmental Authority, or Foreign Governmental Authority-controlled entity singly or in combination with other Foreign entities or individuals, Foreign Governmental Authority(ies), or Foreign Governmental Authority-controlled entities has or will likely otherwise gain either (1) Control or (2) *de facto* or *de jure* control of Horizon, then such Director, officer or manager shall promptly cause Horizon to notify the Government Parties in writing within ten (10) calendar days. Notice under this Section 5.2 shall, at a minimum if such information is known or reasonably available:

- (a) identify the Foreign entity or individual(s), Foreign Governmental Authority, or Foreign Governmental Authority-controlled entity (specifying the name, addresses and telephone numbers);
- (b) identify the beneficial owners of the increased or prospective increased interest in Horizon by the Foreign entity or individual(s), Foreign Governmental Authority, or Foreign Governmental Authority-controlled entity (specifying the name, addresses and telephone numbers of each beneficial owner); and
- (c) quantify the amount of ownership interest that the Foreign entity or individual(s), Foreign Governmental Authority, or Foreign Governmental Authority-controlled entity has or will likely obtain in Horizon and, if applicable, the basis for its prospective Control of Horizon.

5.3 Joint Ventures. In the event that Horizon enters into joint ventures or other arrangements under which the joint venture or another entity may provide Domestic Communications:

- (a) if Horizon has the power or authority to exercise *de facto* or *de jure* control over such joint venture or entity, then Horizon will require the entity to fully comply with the terms of this Agreement; or
- (b) if Horizon does not have *de facto* or *de jure* control over such joint venture or entity, the provisions of Section 5.4, Outsourcing Contracts, shall apply as if the joint venture or other arrangement was an Outsourcing Contract.

5.4 Outsourcing Contracts. Horizon shall ensure the following with regard to any Outsourcing Contracts related to its distribution of BGAN Service:

- (a) Horizon shall include written provisions in any Outsourcing Contract that require the contractor to comply with all applicable terms of this Agreement and the Implementation Plan, or shall take other reasonable, good-faith measures to ensure that the contractor is aware of, agrees to, and is bound to comply with all such terms.
- (b) Horizon shall not enter into any Outsourcing Contract that affords the contractor access to Sensitive Information, unless such access has been lawfully approved by the entity that provided the information.
- (c) Horizon shall not induce the contractor either to violate its obligations to Horizon related to this Agreement or the Implementation Plan, or to take any action that, if taken by Horizon, would violate this Agreement or the Implementation Plan.
- (d) If Horizon receives any information that a contractor or any of its employees or agents has taken an action that, had it been taken by Horizon, would violate a provision of this Agreement or the Implementation Plan, or has violated its obligations to Horizon related to this Agreement or the Implementation Plan, Horizon (1) will notify the Government Parties promptly, and (2) in consultation and cooperation with them, will take all reasonable steps necessary to rectify promptly the situation, including terminating the Outsourcing Contract (with or without notice and opportunity for cure) or initiating and pursuing litigation or other remedies at law and equity.
- (e) Neither an Outsourcing Contract nor any provision of this Section 5.4 does or shall be construed to relieve Horizon of any of its obligations under this Agreement or the Implementation Plan.

5.5 Notice of Foreign Influence. If Horizon or its agents (including officers and members of the Board of Directors) acquires any information that reasonably indicates that any Foreign entity or individual, Foreign Governmental Authority, or Foreign Governmental Authority-controlled entity plans to participate or has participated in any aspect of the day-to-day management of Horizon or to exercise any Control of Horizon in such a way that (1) interferes with or impedes the performance by Horizon of its duties and obligations under the terms of this Agreement; (2) interferes with or impedes the exercise by Horizon of its rights under the Agreement; or (3) raises a concern with respect to the fulfillment by Horizon of its obligations under this Agreement, then such manager shall promptly notify the Government Parties in writing of the timing and the nature of the Foreign entity's or individual's, Foreign Governmental Authority's, or Foreign Governmental Authority-controlled entity's plans or actions.

5.6 Procedure and Process on Reporting. Within thirty (30) days after the Effective Date, Horizon shall adopt and distribute to all officers and directors, a written procedure or process for the reporting by officers and directors of noncompliance with this Agreement or the Implementation Plan, which shall incorporate the notice of reporting obligations by officials, employees, agents and contractors required under Section 3.8 of this Agreement. Any violation by Horizon of any material term of such corporate policy shall constitute a breach of this Agreement.

5.7 Non-retaliation. Within thirty (30) days after the Effective Date, Horizon shall, by duly authorized action of its Board of Directors, adopt and distribute to all officers and directors an official corporate policy that strictly prohibits Horizon from discriminating or taking any adverse action against any officer, director, employee, contractor, or agent because he or she has in good faith initiated or attempted to initiate a notice or report under Sections 5.2, 5.5, or 5.8 of this Agreement, or has notified or attempted to notify the management to report information that he or she believes in good faith is required to be reported to the Government Parties under either Sections 5.2, 5.5, or 5.8 of this Agreement or under Horizon's written notice to employees on the reporting of any such information. Any violation by Horizon of any material term of such corporate policy shall constitute a breach of this Agreement.

5.8 Reporting of Incidents. Horizon shall report to the Government Parties any information acquired by Horizon or any of its officers, directors, employees, contractors, or agents that reasonably indicates:

- (a) a breach of this Agreement or the Implementation Plan;
- (b) access to or disclosure of Domestic Communications, or the conduct of Electronic Surveillance, in violation of federal, state or local law or regulation;
- (c) access to or disclosure of CPNI, Call-Associated Data, Transactional Data, or Subscriber Information, in violation of federal, state or local law or regulation; or
- (d) improper access to or disclosure of Classified or Sensitive Information.

This report shall be made in writing by the appropriate Horizon officer to the Government Parties no later than ten (10) calendar days after Horizon acquires information indicating a matter described in this Section. Horizon shall lawfully cooperate in investigating the matters described in this Section. Horizon need not report information where disclosure of such information would be in violation of an order of a court of competent jurisdiction in the United States.

5.9 Notice of Decision to Store Information Outside of the United States. Horizon shall provide to the Government Parties thirty (30) days advance notice if it plans to store or have stored on its behalf outside the United States any of the information specified in Section 2.4 herein. Such notice shall, at a minimum:

- (a) include a description of the type of information to be stored outside the United States;
- (b) identify the custodian of the information, if other than Horizon;
- (c) identify the location where the information is to be located; and
- (d) identify the factors considered, pursuant to Section 2.5 of this Agreement, in deciding to store the information outside of the United States.

5.10 Access to Information and Facilities.

(a) The Government Parties or their designees may visit any part of Horizon's Domestic Communications Infrastructure to conduct on-site reviews concerning the implementation of the terms of this Agreement, and Horizon will provide unimpeded access for such on-site reviews.

(b) Horizon will voluntarily provide prompt and unimpeded access to and disclosure of all records and information concerning technical, physical, management, or other security measures, as needed by the Government Parties or their designees to verify compliance with the terms of this Agreement including the Implementation Plan.

5.11 Access to Personnel. Upon reasonable notice from the Government Parties or their designees, Horizon shall make available for interview any officers or employees of Horizon and any contractors located in the United States, who are in a position to provide information to verify compliance with the terms of this Agreement.

5.12 Annual Report. On or before the last day of January of each year, a designated senior corporate officer of Horizon shall submit to the Government Parties a report assessing Horizon's compliance with the terms of this Agreement for the preceding calendar year (or since the Effective Date in the case of the first such report). The report shall include:

- (a) a copy of the then-current policies and procedures adopted to comply with this Agreement;
- (b) a summary of the changes, if any, to the policies or procedures, and the reasons for those changes;
- (c) a summary of any known acts of noncompliance with the terms of this Agreement, whether inadvertent or intentional, with a discussion of what steps have been or will be taken to prevent such acts from occurring in the future; and
- (d) identification of any other issues that, to Horizon's knowledge, will or reasonably could affect the effectiveness of or its compliance with this Agreement.

5.13 Notices. Effective upon execution of this Agreement by all the Parties, all notices and other communications relating to this Agreement, such as a proposed modification, shall be in writing and shall be deemed given as of the date of receipt and shall be sent by electronic mail (if an email is specified below or in a subsequent notice) and one of the following methods:

(a) delivered personally, (b) sent by facsimile, (c) sent by documented overnight courier service, or (d) sent by registered or certified mail, postage prepaid, addressed to the Parties' designated representatives at the addresses shown below, unless provided otherwise in this Agreement; provided, however, that upon written notification to the Parties, a Party may unilaterally amend or modify its designated representative information, notwithstanding any provision to the contrary in Section 8.6 of this Agreement:

ARTICLE 6: CONFIDENTIALITY; USE OF INFORMATION

6.1 Confidentiality. The Government Parties shall take all measures required by law to protect from public disclosure all information submitted by Horizon (or other entities in accordance with the terms of this Agreement, including the Implementation Plan) to them in connection with this Agreement and clearly marked with the legend "Business Confidential; subject to protection under 5 U.S.C. § 553(b)" or similar designation. Such markings shall signify that it is the company's position that the information so marked constitutes "trade secrets" and/or "commercial or financial information obtained from a person and privileged or confidential," or otherwise warrants protection within the meaning of 5 U.S.C. § 552(b)(4). For the purposes of 5 U.S.C. § 552(b)(4), the Parties agree that information so marked is voluntarily submitted. If a request is made under 5 U.S.C. §552(a)(3) for information so marked, and disclosure of any information (including disclosure in redacted form) is contemplated, Horizon shall be provided with the notices and procedures required by law, including those specified in Executive Order 12600, 52 Fed. Reg. 23781 (June 25, 1987)).

6.2 Use of Information by U.S. Government for Any Lawful Purpose. Nothing in this Agreement shall prevent the Government Parties or any other U.S. Governmental Authority from lawfully disseminating this Agreement or using any information produced under or otherwise related to this Agreement to seek enforcement of this Agreement, or for any other lawful purpose.

ARTICLE 7: FCC CONDITION

7.1 FCC Approval. Upon the execution of this Agreement, including the Implementation Plan, by all of the Parties, Horizon shall request that the FCC adopt a condition to Horizon's existing or pending FCC authorizations, substantially the same as set forth in Exhibit A attached hereto (the "Condition to FCC Authorization").

7.2 Right to Object to Future FCC Filings. Horizon agrees that in any application or petition by Horizon, filed with or granted by the FCC after the execution of this Agreement by all the Parties, for a license or other authority under Titles II and III of the Communications Act of 1934, as amended, to offer, distribute, or resell Domestic Communications in the United States for communications utilizing the Inmarsat system, or otherwise operate U.S. Licensed MESs in the United States, Horizon shall request that the FCC condition the grant of such licensing or other authority on compliance with the terms of this Agreement. Notwithstanding Section 8.9, nothing in this Agreement shall preclude the Government Parties or any other U.S. Governmental Authority from opposing, formally or informally, any FCC application or petition by Horizon for other authority, or to transfer its license(s) to a third party (except with respect to *pro forma* assignments or *pro forma* transfers of control), and to seek additional or different terms that would, consistent with the public interest, address any concerns regarding the ability of the United States to enforce the laws, preserve the national security, and protect the public safety, raised by the services and transactions underlying any such application or petition.

ARTICLE 8: OTHER

8.1 Right to Make and Perform Agreement. Horizon represents that it has and shall continue to have throughout the term of this Agreement the full right to enter into this Agreement and perform its obligations hereunder and that this Agreement is a legal, valid, and binding obligation of Horizon enforceable in accordance with its terms.

8.2 Headings. The article and section headings and numbering in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of the terms of this Agreement.

8.3 Other Laws. Nothing in this Agreement is intended to limit or constitute a waiver of (a) any obligations imposed by any U.S. federal, state, or local law or regulation on Horizon, (b) any enforcement authority available under any U.S. federal, state, or local law or regulation, (c) the sovereign immunity of the United States, or (d) any authority the U.S. Government may possess over the activities or facilities if Horizon located within or outside the United States (including authority pursuant to the International Emergency Economic Powers Act). Nothing in this Agreement is intended to or is to be interpreted to require the Parties to violate any applicable U.S. law.

8.4 Statutory References. All references in this Agreement to statutory provisions and executive

orders shall include any future amendments to such statutory provisions and executive orders.

8.5 Non-Parties. Nothing in this Agreement is intended to confer or does confer any rights on any person other than the Parties and any Government Authorities entitled to affect Electronic Surveillance pursuant to Lawful U.S. Process.

8.6 Modification. This Agreement may only be modified by written agreement signed by all of the Parties, provided that the Government Parties may, by a written notice to Horizon signed by all of them, waive any provision of this Agreement intended for their benefit unless such waiver is objected to by Horizon. The Government Parties agree to consider promptly and in good faith possible modifications to this Agreement if Horizon believes that the obligations imposed on it under this Agreement are substantially more restrictive than those imposed on other U.S. and foreign licensed service providers in like circumstances in order to protect U.S. national security, law enforcement, and public safety concerns. Any substantial modification to this Agreement shall be reported to the FCC within thirty (30) days after approval in writing by the Parties.

8.7 Severability. The provisions of this Agreement shall be severable and if any provision thereof or the application of such provision under any circumstances is held invalid by a court of competent jurisdiction, it shall not affect any other provision of this Agreement or the application of any provision thereof.

8.8 Changes in Circumstances for Horizon. The Government Parties agree to negotiate in good faith and promptly with respect to any request by Horizon for relief from application of specific provisions of this Agreement if those provisions become unduly burdensome or have an adverse affect on Horizon's competitive position.

8.9 Changes in Circumstances for the Government Parties. If after the date that all the Parties have executed this Agreement, the Government Parties find that the terms of this Agreement are inadequate to address national security, law enforcement, or public safety concerns, then Horizon will negotiate in good faith to modify this Agreement to address those concerns.

8.10 Counterparts. This Agreement may be executed in one or more counterparts, including by facsimile, each of which shall together constitute one and the same instrument.

8.11 Successors and Assigns: This Agreement shall inure to the benefit of, and shall be binding upon, the Parties, and their respective successors and assigns. This Agreement shall also be binding on all subsidiaries, divisions, departments, branches, and other components or agents of Horizon, and on all Affiliates of Horizon.

8.12 Effectiveness of Article 8. This Article 8, and the obligations imposed and rights conferred herein, shall be effective upon execution of this Agreement by all the Parties.

8.13 Effectiveness of Agreement. Except as otherwise specifically provided elsewhere in this Agreement, the obligations imposed and rights conferred by this Agreement shall take effect upon the Effective Date.

8.14 [NOT USED]

8.15 Suspension of Agreement and Obligations Hereunder. This Agreement shall be suspended upon thirty (30) days notice to the Government Parties that neither Horizon, nor any transferee or assignee of the FCC licenses or authorizations held by Horizon, provides Domestic Communications in the United States, unless any of the Government Parties, within that 30-day period, seeks additional information or objects to the suspension.

8.16 Termination of Agreement. This Agreement shall be terminated in its entirety upon the written determination of the Government Parties that Horizon has provided notice and reasonably satisfactory documentation that no foreign entity or combination of foreign entities (including one or more persons under common Control) either Controls Horizon or holds, directly or indirectly, a ten (10) percent or greater interest in Horizon, and that this Agreement is no longer necessary in order to protect U.S. national security, law enforcement, or public safety concerns. It is expressly acknowledged that this Agreement shall not be terminated with respect to Horizon during such time as it is engaged in distribution of BGAN Service that is provided or facilitated within the United States via any facilities or equipment, including but not limited to any land earth station, located outside of the U.S. If this Agreement is not terminated pursuant to this provision, the Government Parties agree to consider promptly and in good faith possible modifications to this Agreement.

8.17 Notice of Additional Services. Horizon shall provide a minimum of thirty (30) days advanced notice to the Government Parties in the event that Horizon or any Affiliate changes or intends to change its present services with respect to Domestic Communications, as set forth in the Recitals to this Agreement, such that the material representations made therein are no longer fully accurate, true and complete. In no event will such notice relieve any Party to this Agreement of obligations under this Agreement or be construed as a waiver of any Party's rights under this Agreement.

This Agreement is executed on behalf of the Parties:
