## Forward Together!

### CHORUS:

Forward together!  
Forward together!  
Forward together!  
Not one step back!

### CHORUS

Those who went before us  
Fought and died for our civil rights  
We're not gonna let 'em go  
Not without a fight!

### CHORUS

Those who went before us  
Thought voting was a civil right  
We're not gonna let it go  
Not without a fight!

### CHORUS

Those who went before us  
Thought education was a human right  
We're not gonna let it go  
Not without a fight!

### CHORUS

Those who went before us  
Thought clean water was a human right.  
We're not gonna let it go,  
Not without a fight!

### CHORUS (twice)

## We Shall Overcome

We shall overcome  
We shall overcome  
We shall overcome some day

### CHORUS:

Oh, deep in my heart I do believe  
We shall overcome some day

We'll walk hand in hand  
We'll walk hand in hand  
We'll walk hand in hand some day

### CHORUS

We are not afraid  
We are not afraid  
We are not afraid today

### CHORUS

We shall live in peace  
We shall live in peace  
We shall live in peace some day

### CHORUS

We're on to victory  
We're on to victory  
We're on to victory today

### CHORUS

Walker won't be governor  
Walker won't be governor  
Walker won't be governor  
Some day (some day soon!)

Oh, deep in my heart I do believe  
Walker won't be governor  
Some day (some day soon!)

## This Land Is Your Land

### CHORUS:

This land is your land  
This land is my land  
From Lake Geneva  
To Madeline Island  
From the rolling prairies  
To our lovely dairies  
Wisconsin was made for you and me

As I was walking  
A ribbon of highway  
I saw above me an endless skyway  
I saw below me a golden valley  
This land was made for you and me

### CHORUS

The sun came shining  
As I was strolling  
The wheat fields waving  
And the dust clouds rolling  
As the fog was lifting a voice was chanting  
This land was made for you and me

### CHORUS

As I was walkin', I saw a sign there  
And on that sign it said  
"Private Property"  
But on the other side  
It didn't say nothin'  
That side was made for you and me!

### CHORUS

In the squares of the city  
In the shadow of the steeple  
In the Capitol, I seen my people  
And some are grumblin'  
And some are wonderin'  
If this land's still made for you and me

### CHORUS

FINAL VERSE (twice):

This house is your house  
This house is my house!  
From the rotunda  
To the governor's office!  
Scott Walker...  
Will never push us out!  
This house was made for you and me!

To lose this would cause many tears (**REPEAT**)  
Wild rice fed the Tribe many years now  
To lose this would cause many tears

An out of state corp wants a mine there  
No caring for people or trees!  
They just want to rape all our land there  
And leave toxic air and bad seeds

And leave toxic air and bad seeds (**REPEAT**)  
They just want to rape all our land there  
And leave toxic air and bad seeds

This corp has bribed state powers  
They say it will bring us good jobs  
Forgive me for being a cynic  
To me this is worse than the mob

To me this is worse than the mob (**REPEAT**)  
Forgive me for being a cynic  
To me this is worse than the mob

To not seek good use of our wetlands  
Like saving for beauty or floods  
Wild rice can be grown; harvested  
With no icky toxic mud

With no icky toxic mud (**REPEAT**)  
Wild rice can be grown; harvested  
With no icky toxic mud

When we stop Gogebic from mining  
This beautiful pristine place  
I will sit by my tent near these woodlands  
Enjoying the breeze by my face

Enjoying the breeze by my face (**REPEAT**)  
I will sit by my tent near these woodlands  
Enjoying the breeze by my face

We must save clean waters of Bad River  
For our kids and their kids to see  
After travels all over the northwoods  
It's the mine that must go and not me

It's the mine that must go and not trees (**REPEAT**)  
After travels all over the northwoods  
It's the mine that must go and not trees.

## We Got a Right

We got a right to Free Speech  
 (You got a right. I got a right.)  
 We got a right to Free Speech  
 (You got a right. I got a right.)

In the great state of Wisconsin  
 (You got a right. I got a right.)  
 Our State Constitution  
 (You got a right. I got a right.)  
 Article 1, Section 4  
 (You got a right. I got a right.)  
 The right of the people  
 (You got a right. I got a right.)  
 Peaceably to assemble  
 (You got a right. I got a right.)  
 To consult for the common good  
 (You got a right. I got a right.)  
 And to petition the government  
 (You got a right. I got a right.)  
 Or any department thereof  
 (You got a right. I got a right.)  
 Shall never be abridged  
 (You got a right. I got a right.)

## An Ode To The Penokees

(Tune: "Old Settler's Song (Acres of Clams)")

I was born right here in Wisconsin  
 I love the northwoods with its trees  
 A favorite place near Ashland  
 The hills they call Penokees

The hills they call Penokees (**REPEAT**)  
 A favorite place near Ashland  
 The hills they call Penokees

To the Bad River Tribe it's sacred  
 It's very near tribal lands  
 Wild rice fed the Tribe many years now  
 To lose this would cause many tears

## Union Maid

There once was a Union Maid  
 She never was afraid  
 Of the goons and the ginks and the company  
 finks  
 And the deputy sheriffs who made the raid  
 She went to the Union Hall  
 When a meeting it was called  
 And when the company boys came 'round  
 She always stood her ground!

### CHORUS:

Oh, you can't scare me  
 I'm sticking to the Union  
 I'm sticking to the Union  
 I'm sticking to the Union  
 Oh, you can't scare me  
 I'm sticking to the Union  
 I'm sticking to the Union  
 Till the day I die

This Union Maid was wise  
 To the tricks of the company spies  
 She couldn't be fooled by company stools  
 She'd always organize the guys  
 She'd always get her way  
 When she struck for higher pay  
 She'd show her card to the National Guard  
 And this is what she'd say!

### CHORUS

You women who want to be free  
 Just take a tip from me  
 Break out of that mold we've all been sold  
 You got a fighting history  
 The fight for Women's Rights  
 With workers must unite  
 Like Mother Jones, bestir them bones  
 To the front of every fight!

### CHORUS

## We Shall Not Be Moved

Well, I'm on my way to heaven  
 We shall not be moved  
 On my way to heaven  
 We shall not be moved  
 Just like a tree  
 That's standing by the water side  
 We shall not be moved

### CHORUS:

We shall not; we shall not be moved  
 We shall not; we shall not be moved  
 Just like a tree  
 That's standing by the water side  
 We shall not be moved

We're fighting for our freedom  
 We shall not be moved  
 We're fighting for our children  
 We shall not be moved  
 Just like a tree  
 That's standing by the water side  
 We shall not be moved

### CHORUS

For the teachers who have taught us  
 We shall not be moved  
 For the folks who drive the school bus  
 We shall not be moved  
 Just like a tree  
 That's standing by the water side  
 We shall not be moved

### CHORUS

We're brothers together  
 We shall not be moved  
 We're sisters together  
 We shall not be moved  
 Just like a tree  
 That's standing by the water side  
 We shall not be moved

### CHORUS

## Bella ciao

Rise Up Singing: The Group Singing Songbook  
 version (Adapted lyrics)

We are people and we are marching  
 Bella ciao (**three times**), ciao, ciao!  
 We are marching for liberation  
 We want a revolution now!

We are workers and we are singing  
 Bella ciao (**three times**), ciao, ciao!  
 We are singing for liberation  
 We want a revolution now!

We are parents and we are teaching  
 Bella ciao (**three times**), ciao, ciao!  
 We are teaching for liberation  
 We want a revolution now!

We are children and we are dancing  
 Bella ciao (**three times**), ciao, ciao!  
 We are dancing for liberation  
 We want a revolution now!

We are sisters and we are brothers  
 Bella ciao (**three times**), ciao, ciao!  
 We are family for liberation  
 We want a revolution now!

We are lovers and we are dreaming  
 Bella ciao (**three times**), ciao, ciao!  
 We are dreaming for liberation  
 We want a revolution now!

We are people and we're united  
 Bella ciao (**three times**), ciao, ciao!  
 We're united for liberation  
 We want a revolution now!

We're united for liberation  
 We want a revolution now!

## Sing Along

You might get butterflies in your stomach  
 Whenever you start to sing  
 And when you're at that microphone  
 You might shake like anything  
 But if you'll sing along with me  
 We can holler right out loud  
 'Cause you might be nervous lonesome  
 But you're swell when with a crowd

### CHORUS:

Sing Along (Sing Along)  
 Sing Along (Sing Along)  
 And just sing, "la la la la"  
 If you don't know the song  
 You'll quickly learn the rhythm  
 You'll find yourself a word  
 'Cause when we sing together  
 We'll be heard

Oh, when you need a raise in pay  
 And you have to ask your boss  
 When you go talk to him by yourself  
 You might be a total loss  
 But if we go together  
 You'll do your part right pretty  
 'Cause you might be nervous lonesome  
 But we make a damn fine committee

### CHORUS

Our governor thinks he's a king  
 He hobnobs with big biz  
 He often forgets all the folks  
 Who put him where he is  
 Let's write that guy a letter  
 We'll tell him what we need  
 With over a million signatures  
 We won't put up with his greed

### CHORUS

Oh, life is full of problems  
 The world's a funny place  
 Don't you sometimes wonder why  
 You joined the human race?  
 But when we work together  
 It all seems right and true  
 You might feel lonely by yourself  
 But we're here to sing with you

### CHORUS (twice)

## There is Power in a Union

There is power in a factory  
 Power in the land  
 Power in the hands of a worker  
 But it all amounts to nothing  
 If together we don't stand  
 There is power in a Union

### CHORUS:

The Union forever  
 Defending our rights  
 Down with Scott Walker!  
 All workers unite  
 With our brothers and our sisters  
 From many far off lands  
 There is power in a Union

Now the lessons of the past were all  
 Learned with workers' blood  
 The mistakes of the bosses  
 We must pay for  
 From the cities to the farmlands  
 To trenches full of mud  
 War has always been the bosses' way, sir

### CHORUS

Now I long for the morning  
 That they realize  
 Unjust laws cannot defeat us  
 But who'll defend the workers  
 Who cannot organize  
 When the bosses send their lackeys out to  
 cheat us?

### CHORUS

## When We Make Peace

(Tune: "When the Saints Go Marching In")

When we make peace  
When we make peace  
When we make peace instead of war  
Oh, I want to be in that number  
When we make peace instead of war

When there's respect  
For workers' rights  
When there's respect for workers' rights  
Oh, I want to be in that number  
When there's respect for workers' rights

When all the world  
Has human rights  
When all the world has human rights  
Oh, I want to be in that number  
When all the world has human rights

When justice rules  
Instead of force  
When justice rules instead of force  
Oh, I want to be in that number  
When justice rules instead of force

**REPEAT FROM TOP**

## O, Wisconsin, Don't You Weep, Don't Mourn

### CHORUS:

O, Wisconsin, don't you weep, don't mourn!  
O, Wisconsin, don't you weep, don't mourn!  
Pharaoh's army got drowned  
O, Wisconsin, don't you weep!

ALEC stole our Workers' Rights  
Shares its bed with corporate might!  
Pharaoh's army got drowned  
O, Wisconsin, don't you weep!

### CHORUS

Walker lost our High-Speed Rail  
That mentality's gonna fail!  
Pharaoh's army got drowned  
O, Wisconsin, don't you weep!

### CHORUS

Penokee's beauty could turn to spit  
If GTac gets its open-pit!  
Pharaoh's army got drowned  
O, Wisconsin, don't you weep!

### CHORUS

The run-off from an iron mine  
Will turn your water to acidic brine!  
Pharaoh's army got drowned  
O, Wisconsin, don't you weep!

### CHORUS

Our wolves and cranes and treasures wild  
Are just as precious as an unborn child!  
Pharaoh's army got drowned  
O, Wisconsin, don't you weep!

### CHORUS

The Capitol cops, they crossed a line  
By slapping citizens with silly fines!  
Pharaoh's army got drowned  
O, Wisconsin, don't you weep!

**CHORUS (twice)**

## We Shall Not Be Mined

### CHORUS:

We shall not, we shall not be mined  
We shall not, we shall not be mined  
Just like those hills up upon Mother Water  
We shall not be mined!

On our way to Ashland  
We shall not be mined  
To stop an open-pit there  
We shall not be mined  
Just like those hills up upon Mother Water  
We shall not be mined!

### CHORUS

We'll block it with our bodies  
We shall not be mined  
We'll block it with our voices  
We shall not be mined  
Just like those hills up upon Mother Water  
We shall not be mined!

### CHORUS

We'll stand up with Bad River  
We shall not be mined  
We'll stand up for Manoomin  
We shall not be mined  
Just like those hills up upon Mother Water  
We shall not be mined!

### CHORUS

A billions years old and counting  
We shall not be mined  
Edge of an ancient continent  
We shall not be mined  
Just like those hills up upon Mother Water  
We shall not be mined!

### CHORUS

## Keep Your Eyes on the Prize

Paul and Silas bound in jail  
Had no money for to go their bail  
Keep your eyes on the prize  
Hold on, hold on

### CHORUS:

Hold on  
Hold on  
Keep your eyes on the prize  
Hold on, hold on

Know the one thing we did wrong  
Stayed in the wilderness far too long  
Keep your eyes on the prize  
Hold on, hold on

### CHORUS

Know the first thing we did right  
Was the day we started to fight!  
Keep your eyes on the prize  
Hold on, hold on

### CHORUS

The only chain that we can stand  
Is the chain of hand in hand  
Keep your eyes on the prize  
Hold on, hold on

### CHORUS

When I thought that I was lost  
Dungeon shook and the chains fell off  
Keep your eyes on the prize  
Hold on, hold on

### CHORUS

Know the first thing we did right  
Was the day we started to fight!  
Keep your eyes on the prize  
Hold on, hold on

### CHORUS

## Solidarity Forever

When the Union's inspiration  
Through the workers' blood shall run  
There can be no power greater  
Anywhere beneath the sun  
Yet what force on earth is weaker  
Than the feeble strength of one?  
But the Union makes us strong!

### CHORUS:

Solidarity Forever  
Solidarity Forever  
Solidarity Forever  
For the Union makes us strong!

They have taken untold trillions  
That they never toiled to earn  
But without our brain and muscle  
Not a single wheel can turn  
We can break their haughty power  
Gain our freedom when we learn  
That the Union makes us strong!

### CHORUS

They say our day is over  
And they say our time is through  
They say you need no Union  
If your collar isn't blue  
Well, that is just another lie  
The boss is telling you  
For the Union makes us strong!

### CHORUS

They divide us by our color  
They divide us by our tongue  
They divide us men and women  
They divide us old and young  
But they'll tremble at our voices  
When they hear these verses sung  
For the Union makes us strong!

### CHORUS (twice)

## How Can I Keep From Singing?

The Sing Along goes all week long  
With hope and jubilation  
I hear the wail, the far-off cry  
That hails a new citation

### CHORUS:

No storm can shake my inmost calm  
While to those rights I'm clinging  
Since love doth reign over Wisconsin  
How can I keep from singing?

Through all the voices loud and clear  
We hear the songs keep ringing  
They sound an echo through the hall  
How can I keep from singing?

### SECOND CHORUS:

In detention and courtroom hall  
Our thoughts to them are winging  
When friends by shame are undefiled  
How can I keep from singing?

When tyrants tremble in their fear  
And hear our hand bells ringing  
When friends rejoice both far and near  
How can I keep from singing?

### CHORUS (twice)

No storm can shake my inmost calm  
While to those rights I'm clinging  
Since love doth reign over Wisconsin  
How can I keep from singing?

How can I keep from singing?

## Die Gedanken sind frei

(Dee geh-don-ken zint fry)

(My Thoughts are Free)

Die Gedanken sind frei  
My thoughts freely flower  
Die Gedanken sind frei  
My thoughts give me power  
No scholar can map them  
No hunter can trap them  
No one can deny  
Die Gedanken sind frei  
No one can deny  
Die Gedanken sind frei

I think as I please  
And this gives me pleasure  
My conscience decrees  
This right I must treasure  
My thoughts will not cater  
To gov nor dictator  
No one can deny  
Die Gedanken sind frei  
No one can deny  
Die Gedanken sind frei

And should tyrants take me  
And throw me in prison  
My thoughts will burst free  
Like blossoms in season  
Foundations will crumble  
And structures will tumble  
And Free People cry  
Die Gedanken sind frei  
And Free People cry  
Die Gedanken sind frei

## Have You Been to Jail for Justice?

Was it Cesar Chavez or Rosa Parks that day?  
Some say Dr. King or Gandhi  
Set them on their way  
No matter whom your mentors are  
It's pretty plain to see  
If you've been to jail for justice  
You're in good company

### CHORUS:

Have you been to jail for justice?  
I want to shake your hand  
'Cause sitting in and lying down  
Are ways to take a stand  
Have you sung a song for freedom?  
Or marched that picket line?  
Have you been to jail for justice?  
Then you're a friend of mine

You law abiding citizens, come listen to this song  
Laws are made by people  
And people can be wrong  
Once Unions were against the law  
But slavery was fine  
Women were denied the vote  
While children worked the mine  
The more you study history  
The less you can deny it  
A rotten law stays on the books  
'Til folks with guts defy it!

### CHORUS

Well the law's supposed to serve us  
And so are the police  
When the system fails  
It's up to us to speak our piece  
We must be ever vigilant for justice to prevail  
So get courage from your convictions  
Let 'em haul you off to jail!

### CHORUS

If you are arrested by Walker's palace guard  
Don't argue or converse with them  
But ask them on what charge  
Ask to speak to an attorney  
Call your friend who lives next door  
Have 'em call the Lawyers Guild: 520-0654

### CHORUS

# Ain't Gonna Let Nobody Turn Me 'Round

Ain't gonna let nobody  
Turn me 'round [3 times]  
Ain't gonna let nobody  
Turn me 'round

## CHORUS

## For What It's Worth

There's something happening here  
What it is, it's perfectly clear  
There's a man in the governor's chair  
Telling teachers and seniors  
They've got to beware

### CHORUS:

It's time you stop, Scotty, look around  
Don't you know, you're going down!

What a great day for our state  
A hundred thousand people demonstrate  
Singing songs and carrying signs  
Saying, "Kill the Bill" and "Stop the Mine"

### CHORUS

Picket lines have been drawn  
Millions of people want you to be gone  
Workers standing up for their rights  
And together we're going to win this fight!

### CHORUS

Koch brothers' money runs deep  
Into Scotty's pockets it creeps  
But Wisconsin isn't afraid  
And if we keep on fighting  
We're going to take back our state!

### CHORUS (four times)

## It Isn't Nice

It isn't nice to block the doorway  
It isn't nice to go to jail  
There are nicer ways to do it  
But the nice ways often fail  
It isn't nice, it isn't nice  
You told us once, you told us twice  
But if that is Freedom's price  
We don't mind

It isn't nice to carry banners  
Or to try to kick in doors  
Or to shout out, "Shame! Shame!"  
Down on the Assembly floor  
It isn't nice, it isn't nice  
You told us once, you told us twice  
But if that is Freedom's price  
We don't mind

We have tried negotiations  
And crossing the state line  
Somehow Walker didn't see us  
You know he might as well be blind  
Now our new ways aren't nice  
When we deal with men of ice  
But if that is Freedom's price  
We don't mind

It isn't nice to launch a recall  
It isn't nice to ride their tail  
There are nicer ways to do it  
But the nice ways often fail  
It isn't nice, it isn't nice  
Thanks for your advice  
But if that is Freedom's price  
We don't mind

## Roll the Union On

### CHORUS:

We're gonna roll, we're gonna roll  
 We're gonna roll the Union on  
 We're gonna roll, we're gonna roll  
 We're gonna roll the Union on

If the gov gets in the way  
 We're gonna roll it over him  
 Gonna roll it over him, gonna roll it over him  
 If the Gov gets in the way  
 We're gonna roll it over him  
 We're gonna roll the Union on

### CHORUS

If they lie to us again  
 We're gonna roll it over them  
 Gonna roll it over them, gonna roll it over them  
 If they lie to us again  
 We're gonna roll it over them  
 We're gonna roll the Union on

### CHORUS

If they try to lock us out  
 We're gonna roll it over them  
 Gonna roll it over them, gonna roll it over them  
 If they try to lock us out  
 We're gonna roll it over them  
 We're gonna roll the Union on

### CHORUS

If they throw us all in jail  
 We're gonna roll it over them  
 Gonna roll it over them, gonna roll it over them  
 If they throw us all in jail  
 We're gonna roll it over them  
 We're gonna roll the Union on

### CHORUS

If they try to shut us up  
 We're gonna roll it over them  
 Gonna roll it over them, gonna roll it over them  
 If they try to shut us up  
 We're gonna roll it over them  
 We're gonna roll the Union on

### CHORUS

## Save the Penokee Hills Forever

(Tune: "What a Wonderful World")

I see big, black boulders  
 A billion years old  
 I hear Morgan Falls  
 And feel it tricklin' cold  
 And I think to myself  
 What a Wonderful World!

I taste sweet manoomin  
 Bad River's sloughs thrive  
 And I drink the water  
 Knowin' we'll be stayin' alive  
 And I think to myself  
 What a Wonderful World!

The upset that we felt  
 From losing High-Speed Rail  
 Will drive us in our work  
 To keep fascism in jail!  
 I hear singing in Our House  
 Forward! Marching Band, too  
 All we're really saying is  
 We're so through with you!

We hear our wolves howl  
 Our sandhill cranes fly  
 There'll be no more toxins  
 Pollutin' our fish fry  
 And I think to myself  
 What a Wonderful World!

## Down to the Capitol to Stay

(Tune: "Down to the River to Pray")

### CHORUS:

As I went down to the Capitol to stay  
Telling Walker, "There's another way,  
but we shan't bear your burden."  
Now, Forward! We're here to stay!

O teachers, let's go down  
Let's go down, come on down  
Oh teachers, let's go down  
Down to the Capitol to stay

### CHORUS

O students, let's go down  
Let's go down, come on down  
Oh students, let's go down  
Down to the Capitol to stay

### CHORUS

O workers, let's go down  
Let's go down, come on down  
Oh workers, let's go down  
Down to the Capitol to stay

### CHORUS

O families, let's go down  
Let's go down, come on down  
Oh families, let's go down  
Down to the Capitol to stay

### CHORUS

All People, let's go down  
Let's go down, don't you want to go down?  
All People, let's go down  
Down to the Capitol to stay

### CHORUS

## Singing For Our Lives

We are a gentle, angry people  
And we are singing, singing for our lives  
We are a gentle, angry people  
And we are singing, singing for our lives

We are a justice seeking people  
And we are singing, singing for our lives  
We are a justice seeking people  
And we are singing, singing for our lives

We are young and old together  
And we are singing, singing for our lives  
We are young and old together  
And we are singing, singing for our lives

We are a land of many colors  
And we are singing, singing for our lives  
We are a land of many colors  
And we are singing, singing for our lives

We are gay and straight together  
And we are singing, singing for our lives  
We are gay and straight together  
And we are singing, singing for our lives

We are all in this together  
And we are singing, singing for our lives  
We are all in this together  
And we are singing, singing for our lives

We are a gentle, loving people  
And we are singing, singing for our lives  
We are a gentle, loving people  
And we are singing, singing for our lives

## Which Side Are You On?

### CHORUS:

Oh, which side are you on, boys?  
 Which side are you on?  
 Which side are you on, gals?  
 Which side are you on?

Come all Wisconsin Workers  
 Good news to you I'll tell  
 Of how the good old Union  
 Is still alive and well

### CHORUS

We fight for working families  
 Our struggle's just begun  
 But we'll all stick together  
 Till every battle's won

### CHORUS

They say that in Wisconsin  
 There are no neutrals there  
 You're either with the Workers  
 Or with the billionaires

### CHORUS

Oh, workers can you stand it?  
 Oh, tell me how you can  
 Will you join the Koch machine?  
 Or will you lend a hand?

### CHORUS

Don't believe the governor  
 Don't listen to his lies  
 Us working folks don't have a chance  
 Unless we organize!

### CHORUS (twice)

## We're Not Going Away

(Tune: "I'll Fly Away")

Every day at noon we're gonna be here  
 We're not going away  
 Until love drives out the politics of fear  
 We're not going away

You might think that now the war is won but  
 We're not going away  
 We'll keep singing 'til justice is done  
 We're not going away

### CHORUS:

We're not going away, oh Scotty!  
 We're not going away!  
 Until that day when Justice holds sway  
 We're not going away!

We know you know we know that you're  
 lying  
 We're not going away  
 Your trickle-down nonsense we're so not  
 buying  
 We're not going away

We're standing up and singing truth to  
 power  
 We're not going away  
 Our voices raised every noon for an hour  
 We're not going away

### CHORUS

You might think our mighty cause is lost but  
 We're not going away  
 We're prepared to pay whatever cost  
 We're not going away

Our voices echo through the rotunda  
 We're not going away  
 Until the People rise up like thunder  
 We're not going away

### CHORUS (twice)

## Move On Over

Mine eyes have seen injustice in each city, town,  
and state  
Elites have shown incompetence, corruption, greed,  
and hate  
The one percent assumes that we will just accept  
our fate  
But the 99 are movin' on

### CHORUS:

Move on over, or we'll move on over you  
Move on over, or we'll move on over you  
Move on over, or we'll move on over you  
'Cause the 99 are movin' on

They plunder our economy // with impunity  
We subsidize the one percent and get austerity  
But the 99 are rising up in solidarity  
And the movement's movin' on

### CHORUS

They conspire to keep us silent, corporate media  
feeds us lies  
They suppress our votes and liberties, our rights  
they do despise  
But the 99 percenters shout the truth and organize  
And the movement's movin' on

### CHORUS

We've only just begun this epic struggle for what's  
right  
I declare that while I still have breath I'll join up in  
the fight  
The one percent will have to bow, accept the  
people's might  
'Cause the 99 are movin' on

### CHORUS (twice)

## Scotty, We're Comin' for You

First they came for the Unions  
Saying that you should have less  
Business needs more, you people aren't poor  
Stop whining, buck up like the rest

And then they came for the children  
Hard to believe but it's true  
Schools and good health  
Might take from their wealth  
So tell me what are you gonna do?  
Scotty, we're coming for you!

I never knew how much I loved Wisconsin  
Till I stood in the Capitol dome  
Signs on the walls and drums in the halls  
Cries of "Freedom!" ringing out all night long  
All of us standing together  
Teachers in red, cops in blue  
Hundreds of thousands  
Show people have power  
So tell me what are we gonna do?  
Scotty, we're coming for you!

For so long we've all been asking  
How come people aren't more upset?  
They're selling our clout and tuning us out  
They're not treating us with respect  
The giant has only been sleeping  
Now the sun shines on morning dew  
From under the sheets  
It came into the streets  
So tell me what is it gonna do?  
Scotty, we're coming for you!

Tell me what are you gonna do?  
Scotty, we're coming for you!

Tell me what are we gonna do?  
Scotty, we're coming for you!

## If I Had a Hammer

If I had a hammer  
 I'd hammer in the morning  
 I'd hammer in the evening  
 All over this land

I'd hammer out danger  
 I'd hammer out a warning  
 I'd hammer out love between  
 My brothers and my sisters  
 All over this land

If I had a bell  
 I'd ring it in the morning  
 I'd ring it in the evening  
 All over this land

I'd ring out danger  
 I'd ring out a warning  
 I'd ring out love between  
 My brothers and my sisters  
 All over this land

If I had a song  
 I'd sing it in the morning  
 I'd sing it in the evening  
 All over this land

I'd sing out danger  
 I'd sing out a warning  
 I'd sing out love between  
 My brothers and my sisters  
 All over this land

Well, I've got a hammer  
 And I've got a bell  
 And I've got a song to sing  
 All over this land

It's the hammer of justice  
 It's the bell of freedom  
 It's a song about love between  
 My brothers and my sisters  
 All over this land

It's the hammer of justice  
 It's the bell of freedom  
 It's a song about love between  
 My brothers and my sisters  
 All over this la-a-a-and

## The Internationale

Stand up, all victims of oppression  
 For the tyrants fear your might  
 Don't cling so hard to your possessions  
 For you have nothing if you have no rights  
 Let racist ignorance be ended  
 For respect makes the empires fall  
 Freedom is merely privilege extended  
 Unless enjoyed by one and all

### CHORUS:

So come brothers and sisters  
 For the struggle carries on  
 The Internationale  
 Unites the world in song  
 So comrades come rally  
 For this is the time and place  
 The International Ideal  
 Unites the human race

Let no one build walls to divide us  
 Walls of hatred nor walls of stone  
 Come greet the dawn and stand beside us  
 We'll live together or we'll die alone  
 In our world poisoned by exploitation  
 Those who have taken, now they must give  
 And end the vanity of nations  
 We've but one Earth on which to live

### CHORUS

And so begins the final drama  
 In the streets and in the fields  
 We stand unbowed before their armour  
 We defy their guns and shields  
 When we fight, provoked by their aggression  
 Let us be inspired by life and love  
 For though they offer us concessions  
 Change will not come from above

### CHORUS

## The Rising of the Moon

Oh, then tell me fair Wisconsin - tell me why you hurry  
so. Hush now Badgers, hush and listen. It will set your  
hearts a-glow. We are fighting for our freedom - get you  
ready quick and soon. For our hearts must be  
together, by the rising of the moon.

By the rising of the moon, by the rising of the moon. For  
our hearts must be together, by the rising of the moon.

Oh, then tell me fair Wisconsin - where the gathering is  
to be. In the Capitol rotunda, right well known to you  
and me. One more word for inspiration - whistle up the  
marching tune. With your sign upon your shoulder, by  
the rising of the moon.

By the rising of the moon, by the rising of the moon.  
With your sign upon your shoulder, by the rising of the  
moon.

Out from many a hearth and cabin, eyes were watching  
through the night. Many a Badger chest was throbbing  
for return of given rights. Murmurs rang along the  
valleys, like the night bird's lonely croon. And a  
thousand hearts were hopeful, at the rising of the moon.

At the rising of the moon, at the rising of the moon.  
And a thousand hearts were hopeful, at the rising of the  
moon.

There inside the fair rotunda, throngs of hopeful  
humans tread. Far above our drums and banners, hangs  
a heart balloon in red. Out with every foe and traitor!  
Forward! Strike the marching tune. And hurrah my  
friends for freedom! 'Tis the rising of the moon.

'Tis the rising of the moon, 'tis the rising of the moon.  
And hurrah my friends for freedom! 'Tis the rising of the  
moon.

Well we fought for poor Wisconsin, and it seemed loss  
was our fate. Oh, what glorious pride, then sorrow filled  
our hearts that night so late. Yet with hope, hearts still  
are beating in a new day's burning noon. Who will fight  
to save Wisconsin, at the rising of the moon?

At the rising of the moon, at the rising of the moon.  
Who will fight to save Wisconsin, at the rising of the  
moon?

At the rising of the moon, at the rising of the moon.  
WE will fight to save Wisconsin, at the rising of the  
moon!

## Oh, Scott Walker

(Tune: "Oh, Susanna")

### CHORUS:

Oh, Scott Walker  
Now don't you mess with me!  
I come from all Wisconsin  
With a sign for you to see

I had a dream the other night  
The Capitol was still  
I thought I heard republicans  
A-sneaking through a bill  
The law says no, you can't do that  
You have to give us time  
To read the bill  
And know what's there  
And make you toe the line

### CHORUS

Now fourteen spunky Democrats  
To Illinois had sped  
To stop the vote or so they hoped  
So quick goodbyes they said  
When they came home  
The people cheered  
And heroes they were called  
They bought us time to organize  
And gather in these halls

### CHORUS

Well, it snowed all day that Saturday  
The people didn't care  
Their cause so hot  
It kept them warm  
And thousands filled the square  
Now I come from all Wisconsin  
With my ballot in my hand  
And I say to you republicans  
I'm gonna take a stand!

### CHORUS (twice)

## Bring Back Wisconsin to Me

(Tune: "My Bonnie Lies over the Ocean")

Wisconsin whose motto was, "Forward"  
Was populist as it could be  
But now the new motto is, "Backward"  
Oh, bring back Wisconsin to me

### CHORUS:

Bring back, bring back  
Oh, bring back Wisconsin to me, to me  
Bring back, bring back  
Oh, bring back Wisconsin to me

Though we may be "God's Frozen People"  
We bask in the warmth of our plea  
Don't bury my rights in a snow bank  
Oh, bring back Wisconsin to me

### CHORUS

They're trying to stifle our voices  
They're trying to keep us derailed  
They'll find it's not easy to do, though  
McCarthy once tried and he failed!

### CHORUS

Our Mother Wisconsin is fragile  
It's fairly upsetting to see  
She wandered away with a Walker  
Oh, bring back Wisconsin to me

### CHORUS

## Banks of Marble

I've traveled 'round Wisconsin  
From Bad River to Waukesha  
It really makes me wonder  
The things I heard and saw

I saw the weary farmers  
Plowing sod and loam  
I heard the auction hammer  
Just a-knocking down their home

### CHORUS:

But the banks are made of marble  
With a guard at every door  
And the vaults are stuffed with silver  
That the **(farmers)** sweated for

I've seen the loyal teachers  
Forced to buy their own supplies  
Fighting for their students  
Against those who would privatize

### CHORUS (teachers)

I've seen Wisconsin Workers  
Gathered on the Square  
Marching for Collective Bargaining  
And for treatment that is fair

### CHORUS (workers)

I've seen our people working  
Throughout this mighty land  
I pray we'll get together  
And together make a stand

Then we'll own those banks of marble  
With no guard at any door  
And we'll share those vaults of silver  
That we have sweated for!

Then we'll own those banks of marble  
With no guard at any door  
And we'll share those vaults of silver  
That we have sweated for!

## Will the Circle Be Unbroken

I was standing at the Capitol  
With my friends all gathered 'round  
We won't let that recall election  
Ever let it get us down

### CHORUS:

Will the circle be unbroken  
By and by, oh, by and by  
There's a better time a-waiting  
In due time, oh, in due time

Well I said to my fellow singers  
Now's the time to sing our songs  
We will sing for truth and freedom  
Oh, I hate to see it go

### CHORUS

Oh, I followed every action  
Tried to hold up and be brave  
But I could not hide my sorrow  
When democracy was slain

### CHORUS

I went back home; my home was lonesome  
Missed my friends who'd gone away  
All my brothers, sisters crying  
It's so sad to feel this way

### CHORUS

We all sang the songs of childhood  
Songs of hope that made us strong  
Songs we always sang together  
Hear the People sing along

### CHORUS (twice)

## Watch Him Stew

(Tune: "Three Little Fishies")

Down in the Capitol protected by a guard  
Scott Walker hides away  
From employees who work hard  
To serve the people of our state  
And educate our kids  
Now Walker wants to put our Union workers on  
the skids (So...)

### CHORUS:

Picket Walker's hideaway, and watch him stew  
Picket Walker's hideaway, and watch him stew  
Picket Walker's hideaway, and watch him stew  
His fat-cat supporters aren't working for you

I went to the Capitol to join the Sing Along  
State trooper searched my bag  
Though I'd done nothing wrong  
"First Amendment, Fourth Amendment  
Don't apply to you"  
I think I'll make a call to the ACLU (So...)

### CHORUS

They locked all the doors while voting on a bill  
The people stormed the Square  
Climbed over windowsills  
Now come on Wisconsin  
It's time to take a stand  
Show the nice policeman  
The court order in your hand (So...)

### CHORUS

They tried to push us out  
But we stood our ground  
We filled up the rotunda with our angry sound  
Walker wasn't happy that he lost his privacy  
So he tried to lock us out  
And throw away the key (So...)

### CHORUS

We marched in the cold through the rain and  
snow. The women and the men  
The young and the old  
Hundred thousand voices raised in Solidarity!  
Walker in his hidey hole  
Pretends he cannot see (So...)

### CHORUS

## When Scotty Goes Marching Home Again

(Tune: "When Johnny Comes  
Marching Home Again")

When Scotty goes marching home again  
Hurrah! Hurrah!

When the People send him home again  
Hurrah! Hurrah!

The men will cheer, the women will shout  
The children they will dance about  
We'll take our State back!  
When Scotty goes marching home

The old church bells will ring with joy  
Hurrah! Hurrah!  
To undo Scotty's every ploy  
Hurrah! Hurrah!

Wisconsin lads and lassies say  
With roses we will strew the way  
We'll take our State back!  
When Scotty goes marching home

The Capitol doors will open wide  
Hurrah! Hurrah!  
Our voices will ring out inside  
Hurrah! Hurrah!

We'll sound the horns and beat the drums  
We'll know then that our job is done  
On that joyful day  
When Scotty goes marching home

## Orphan Girl on Forward Highway

I was an orphan  
Name of "Forward"  
I wished for progress  
-- Got Walker  
I was an orphan girl

I rode the highway  
With sister Jenna  
We took a clipboard  
We took a songbook  
I was an orphan boy

We gathered eight there  
We gathered twenty  
Then there were hundreds  
Then hundred thousands  
Wisconsin 'tis of thee

When home came callin'  
Went back to my House  
They asked for IDs  
They asked for permits  
They near tore down my heart

I've washed more dishes  
Than I can count, Lord  
I balanced ledgers  
I studied books more  
Give me that Equal Pay!

Now come a new day  
From south to north land  
The voices echoed  
Washburn to Brodhead  
Bring back that Forward song!

My Union people  
Nonunion people  
My auntie Margie  
That bad boy Bobby  
Brought back that Forward song

I am no orphan  
My name is Forward  
We came together  
Sister and ... brother [slowing...]  
We've ... found .. our way back home

## 14 Senators

### CHORUS:

14 Senators sneakin' 'cross the border  
 14 Senators, Capitol disorder  
 14 Senators, new Wisconsin heroes  
 What's the score?  
 Senators: 14, Governor Walker: Zero!

2,000 Monday, 4,000 Tuesday  
 10,000 Wednesday, 25,000 Thursday  
 Walker ignoring the People of his State  
 Won't listen, won't bargain, won't negotiate  
 That's why there's...

### CHORUS

Protests are growing national attention  
 Walker ignoring massive dissention  
 Pawn of the Koch brothers and the  
 billionaires  
 But wait --- who's that sneakin' down  
 The Statehouse stairs?  
 Looks like it's...

### CHORUS

Walker's agenda: strict Union-busting  
 Down with the workers, GOP hustling  
 Trying to shove something down  
 Wisconsin's throat  
 But wait! They need one Democrat  
 Or nobody can vote...  
 That's why there's...

### CHORUS

What's the score?  
 Workers: 14, Governor Walker: Zero!  
 What's the score?  
 People: 14, Governor Walker: Zero!  
 What's the score?  
 Wisconsin: 14, Governor Walker: Zero!

## The Koch Song

(Tune: "I'd Like to Teach the World to Sing")

I'd like to buy the Kochs a world  
 So they'd leave ours alone  
 Then go back to Park Avenue  
 And crawl beneath their stone

I'd like to give the Kochs the bird  
 From my whole family (my whole family)  
 Just keep your phony culture war  
 And keep your rotten tea (they're the evil  
 thing)

Kochs are... (make them go away)  
 They're the bad guys (they're the evil thing)  
 Kochs are... (make them go away)  
 They're the bad guys (they're the evil thing)

The Kochs would like to buy the world  
 And make it all their own  
 It's grown too full of Free Ideas  
 To really feel like home

They'll focus on the simple things  
 Like lower tax for all (really just for them)  
 And hope that we don't see where most  
 Of the benefit will fall (they're the evil thing)

Kochs are... (make them go away)  
 They're the bad guys (they're the evil thing)  
 Kochs are... (make them go away)  
 They're the bad guys (they're the evil thing)

Yes they finance the tea party  
 And talking heads you'll trust  
 And hope the working folks don't see  
 It never helps out us (they're the evil thing)

I'd like to teach the Kochs about  
 A true Democracy (a true Democracy)  
 Where working class kicks corporate mass  
 From sea to shining sea

## Solidarity

For the People who stand up  
And march for their rights  
Solidarity! Solidarity!

For the ones who shine lights  
Through the perilous night  
Solidarity! Solidarity!

For the souls who risk everything  
Strong in their stance  
So their children can have a fair chance

Power in unity, fighting for what can be  
Solidarity! Solidarity!

For the workers who strike  
For a real living wage  
Solidarity! Solidarity!

In a time when the rich  
Rule this new gilded age  
Solidarity! Solidarity!

Where so many have nothing  
And a few have it all  
What your grandparents fought for recalled

Hear their proud voices ring  
In your memory dreams of  
Solidarity! Solidarity!

For the crowds that have gathered  
And filled the Town Square  
Solidarity! Solidarity!

With hope in their hearts  
And their hands in the air  
Solidarity! Solidarity!

Singing down all dictators  
And calling their bluffs  
When you've had enough, you've had enough

Every fear will recede  
In this great human sea of

Solidarity! Solidarity!  
Solidarity! Solidarity!

## Pass the Cheddar

(Tune: "Jambalaya")

Goodbye Scott, you gotta go, me oh my-o  
You're as harmful as your buddy in Ohio  
To prevent you from further destruction  
We will protest all over Wisconsin

### CHORUS:

Grill some brats, tap a keg  
And pass the cheddar  
We'll be here 'til Wisconsin gets better  
Strum guitar, pick a banjo  
Play the squeezebox  
Send our governor a-packing to the  
boondocks!

Walker smiles and tells lies on the TV  
While his henchmen cut programs for the  
needy  
Slashing services to thousands of families  
Yet providing tax relief for his cronies

### CHORUS

Our Constitution promotes the general  
welfare  
But our governor defies the wisdom writ  
there  
He could make our economy prosper  
By supporting every family and worker

### CHORUS

We need someone like Robert La Follette  
To oppose corporate lackeys on the ballot  
And restore to its democratic function  
The People's House we're honored to sing in

### CHORUS (twice)

## Down at the Sing Along

(Tune: "Down by the Riverside")

We're gonna lift up our voices  
Down at the Sing Along [3 times]  
We're gonna lift up our voices  
Down at the Sing Along  
Money ain't gonna govern here no more

### CHORUS:

Money ain't gonna govern here no more  
It ain't gonna govern here no more  
No, it ain't gonna govern here no more...  
Money ain't gonna govern here no more  
It ain't gonna govern here no more  
No, it ain't gonna govern here no more

We're gonna sing for Wisconsin  
Down at the Sing Along [3 times]  
We're gonna sing for Wisconsin  
Down at the Sing Along  
Money ain't gonna govern here no more

### CHORUS

We're gonna sing for Public Workers  
Down at the Sing Along [3 times]  
We're gonna sing for Public Workers  
Down at the Sing Along  
Money ain't gonna govern here no more

### CHORUS

We're gonna sing for Education  
Down at the Sing Along [3 times]  
We're gonna sing for Education  
Down at the Sing Along  
Money ain't gonna govern here no more

### CHORUS

We're gonna sing to stop that mining bill  
Down at the Sing Along [3 times]  
We're gonna sing to stop that mining bill  
Down at the Sing Along  
Money ain't gonna govern here no more

### CHORUS

## On Wisconsin!

On Wisconsin! On Wisconsin!  
Union through and through!  
Defy the Senate Union busters  
Their boss Walker, too  
(Rah! Rah! Rah!)

On Wisconsin! On Wisconsin!  
Kindle labor's flame  
Stand, Workers, let us now  
Salute the Union's name

On Wisconsin! On Wisconsin!  
Forward Badger Land!  
For our schools and public workers  
Here we make our stand  
(Fight! Fight! Fight!)

On Wisconsin! On Wisconsin!  
Sol-i-dar-i-TEE!  
La Follette's home  
Beneath the dome, we sing to thee!

On Wisconsin! On Wisconsin!  
We thy children true!  
Bound to make a land of Freedom  
We are out of you!  
(Rah! Rah! Rah!)

On Wisconsin! On Wisconsin!  
Cannot stop or stay  
Till thy children all are equal  
Hail the mighty day!

## Roll On, Keep Rolling

(Tune: "Beer Barrel Polka")

Roll on, keep rolling  
 There's more to this fight than round one!  
 Roll on, keep rolling  
 Ain't over 'til we say it's done  
 We rise to challenge  
 The harm done to all we hold dear  
 We're focused and we're energized for action  
 Just need some Brats and Beer!

Roll on, keep rolling  
 They're wrong if they think we are done  
 Roll on, keep rolling  
 We'll persist 'til the battle's won!  
 Crash! Bam! Like thunder  
 We'll shake them and make them lose sleep!  
 The GOP had better worry  
 Our resolve runs deep!

Roll on, keep rolling  
 We don't mean to hurt anyone!  
 Roll on, keep rolling  
 So just set your phasers to "stun"  
 Hey! You! Listen up now  
 We're telling you all loud and clear  
 Don't bully us, don't try to scare us  
 We are immune to fear!

Roll on, keep rolling  
 There's more to this fight than round one!  
 Roll on, keep rolling  
 Ain't over! Hell, we've just begun!  
 We rise to challenge  
 The harm done to all we hold dear  
 We're focused and we're energized for action  
 Bring on those Brats and Beer!

## The Fiddler

(Tune: "Turkey in the Straw")

He fiddles on the Concourse next to marchers  
 bearing signs. To resist a puppet governor the tea  
 party enshrines. He fiddles as he watches Union  
 members chant with pride,  
 "Dirty tricks will not divide our Workers  
 standing side by side!"

### CHORUS:

He fiddles in a tavern where there's barely room  
 to stand, and he fiddles on the stage with the  
 Forward! Marching Band. Then he dons his  
 wooly half-gloves, and he fiddles best of all,  
 when he fiddles for the singers who assemble on  
 the Mall.

He plays for those who lost their homes when  
 house payments were late. For the folks whose  
 mortgage settlements were taken by the state.  
 And he fiddles for our children facing corporate-  
 driven norms in classrooms regimented by new  
 partisan "reforms."

### CHORUS

He fiddles for the voices that Fitzwalkerstan  
 suppressed. While clandestinely redistricting to  
 make the voting best...For constituents most  
 likely to support the GOP...And to thwart the  
 vote of anyone without a state I.D.

### CHORUS

He fiddles for the members of our State's Bad  
 River Band. Who came drumming for protection  
 of the waters on their Land. And he fiddles for  
 the wetlands that Scott Walker signed away,  
 jeopardizing ecosystems to our scientists'  
 dismay.

### CHORUS

He performs for skillful artists who create  
 inspired protests and display their work in public  
 despite governmental threats. He exemplifies  
 musicians who speak truth in tunes and songs  
 And together foster justice at uplifting sing-  
 alongs.

### CHORUS

## Joe Hill

(In each verse, repeat the final line)

I dreamed I saw Joe Hill last night  
Alive as you and me  
Says I, "But Joe, you're ten years dead."  
**"I never died," says he**

"In Salt Lake, Joe," says I to him  
Him standing by my bed  
"They framed you on a murder charge."  
**Says Joe, "But I ain't dead."**

"The copper bosses shot you, Joe  
They killed you, Joe," says I  
"Takes more than guns to kill a man"  
**Says Joe, "I didn't die."**

And standing there as big as life  
And smiling with his eyes  
Joe says, "What they could never kill  
**Went on to organize."**

"Joe Hill ain't dead," he says to me  
"Joe Hill ain't never died  
When workers strike and organize  
**Joe Hill is by their side."**

From San Diego up to Maine  
In every mine and mill  
Where workers stand up for their rights  
**It's there you'll find Joe Hill**

From Madison to Manitowoc  
The voice is echoing still  
Wisconsin Workers strong and proud  
**Salute you yet, Joe Hill!**

## I Don't Want Your Millions, Mister

### CHORUS:

I don't want your millions, mister  
I don't want your diamond ring  
All I want is the right to live, mister  
Give me back my job again

I don't want your Rolls Royce, mister  
I don't want your pleasure yacht  
All I want is food for my babies  
Give to me my old job back

### CHORUS

I know you have the land deed, mister  
The money is all in your name  
But where's the work that you did, mister?  
I'm demanding back my job again

### CHORUS

We worked to build this country, mister  
While you enjoyed a life of ease  
You've stolen all that we've built, mister  
Now our children starve and freeze

### CHORUS

Think me dumb if you wish, mister  
Call me green or blue or red  
There's just one thing I sure know, mister  
My hungry babies must be fed

### CHORUS

Take your corporate money, mister  
No value in it I can see  
But with a real Progressive Party  
We could set the People free!

### CHORUS (twice)

## Hold the Fort

We meet today in Freedom's cause  
And raise our voices high  
We'll join our hands in Union strong  
Under Wisconsin's sky

### CHORUS:

Hold the Fort for we are coming  
Union Hearts be strong!  
Side by side keep pressing onward  
Victory will come!

Look, Wisconsin, see the Union  
Banners waving high  
Reinforcements now appearing  
Victory is nigh

### CHORUS

See our numbers still increasing  
Hear the bugle blow  
By our Union we shall triumph  
Over every foe

### CHORUS

## The Preamble

In Seventeen Eighty-Seven I'm told  
Our Founding Fathers did agree  
To write a list of principles  
For keeping people free

The U.S.A. was just starting out  
A whole brand-new country  
And so our People spelled it out  
The things that we should be

### CHORUS:

We the People  
In order to form a more perfect Union  
Establish justice, insure domestic tranquility  
Provide for the common defense  
Promote the general welfare and  
Secure the blessings of Liberty  
To ourselves and our posterity  
Do ordain and establish this Constitution  
For the United States of America

In Two Thousand Eleven I'm told  
The People of Wisconsin did not back down  
They reaffirmed those principles  
That are known the world around

A brand new Movement was just starting out  
To spread across the whole country  
And all these people spelled it out  
They wanted a Land of Liberty

### CHORUS
