

Funeral Home Information Page

Create a *free* Information Page for your funeral home that is linked to each online obituary appearing on Legacy.com-affiliated newspaper sites. It's proven to increase traffic to your website and enhance service to your families.

What do I gain from a *free* Information Page?

- **INCREASED VISIBILITY** — enhance your presence on newspaper websites, which are the most visited source for online obituaries
- **REMAIN COMPETITIVE** — more than 8,000 funeral homes have an Information Page that is attached to the online obituaries they submit to the newspaper
- **BETTER SERVICE** — provide your families with the information they need to reach you
- **INCREASED TRAFFIC** — an easy and *free* way to drive traffic to your website

What is included on my Information Page?

- Your website address
- Your logo
- A photo of your facility
- Contact information — address, phone, fax, e-mail
- Directions to your facility with an interactive map

How do I create my Information Page?

- **SEND AN E-MAIL** — Contact us at FuneralHomes@legacy.com. Include your website address, logo, funeral home photo, contact information and directions to your funeral home. OR, with your permission, we would be happy to pull all of this information from your website. Your information page will be created, attached to all of your online newspaper obituaries and available to your families within no more than 3-5 business days.
- **QUESTIONS** — Call Legacy.com at **1-888-397-9494 x376**

Your local newspaper — in partnership with Legacy.com — continues to innovate and deliver valuable online obituary services for you and your families.
