INFORMATION:

Artist Hometown: New Jersey

Key Markets: Worldwide Metal Community

For Fans of: **HELSTAR, TYRANT'S REIGN, LIEGE LORD, REALM, TOXIK**

In 1989, following the success of their debut album, *Ascend From the Cauldron*, New Jersey power metallers **DEADLY BLESSING** made the pivotal decision to part ways with their iconic-yet-polarizing frontman, Norman "Ski" Kiersznowski. In search of a more aggressive singer who could still be melodic, the band approached Larry Betson; whose gruffer, less over-the-top approach provided a perfect fit as the group continued to open for increasingly heavier national acts such as **BIOHAZARD**, **DARK ANGEL**, and **PANTERA**.

The following year, influenced by hardcore thrash from the Bay Area to New York, **DEADLY BLESSING** recorded two hard-hitting demos—the well-received *Psycho Drama*, and the never officially released *Mechanical Solutions*—before rechristening themselves **OPTIMUS PRIME** for one last demo, taking some inspiration from that era's increasingly ubiquitous "grunge"-leaning sounds. However, as work began on their sophomore full-length, internal uncertainties combined with label and management woes left the group without a proper home, and the lineup eventually unraveled.

So now, more than 25 years later, Divebomb Records is beyond thrilled to finally deliver this deluxe edition of *Psycho Drama*: a massive two-disc set representing the Larry Betson era of **DEADLY BLESSING** into **OPTIMUS PRIME** across 18 studio and 4 live tracks—many appearing here for the first time ever—fully remastered by Jamie King at The Basement Recording. You'll also find archival photographs, studio memories from *Psycho Drama* engineer Bob Kimmel, and an all-new retrospective interview with the band. For the fans, by the fans!

MARKETING POINTS:

- First CD appearance of mega rare, often bootlegged, demo cassette
- Deluxe edition features 17 bonus tracks (all unreleased)
- Thick booklet with tons of archival photos and new band interview
- Digitally remastered by Jamie King
- New artwork (based on original release) by Steven Cobb
- Limited edition

For Fans of: YMA SUMAC, THE CREEPY CREEPS

What began as the "YMA SUMAC, the Legend, the Woman the Music" symposium at Tiki Oasis 14, featuring "educator" EL VEZ (aka ROBERT LOPEZ of THE ZEROS) with Seattle opera singer RACHEL DESHON and San Diego's CREEPXOTICA, has resulted in this extremely off-the-charts 10" vinyl exotica "tribute" to YMA SUMAC! EL VEZ saw an opportunity to pair the multi-octave DESHON with THE CREEPY CREEPS exotica alter-ego CREEPXOTICA as part of his talk about the legendary SUMAC. Rehearsals and the symposium itself went so well it was decided by all involved that the group would record some tracks for DESHON to sing on, and here they are! Five mind-bending '50s exotica fueled psychedelic tinged tracks with DESHON's insanely beautiful and confident vocals. Side A of this record are all "Mambo" era YMA SUMAC covers the likes you've never imagined hearing ANYONE else perform. Side B contains two absolute killer CREEPXOTICA originals with DESHON's vocals bringing them to new dimensions. This breath-taking slab of wax was cut on a vintage Sculley lathe once used in Capitol's mono cutting room, it could have very well been used to cut SUMAC's 78s and LPs! The record is pressed on color vinyl, includes a two-sided 10" by 10" insert AND a code for a FREE digital download of the tracks.

MARKETING POINTS:

- Color vinyl
- 10" by 10" insert

Formed in the lower east side of New York City in 1983 as part of the first wave of American Hardcore **ANTIDOTE** released the iconic release "Thou Salt Not Kill" soon after. After shutting down as a hardcore band in 1986 **ANTIDOTE** reunited as a hard rock outfit in 1988. They soon released the Garrett Uhlenbrock (The Ramones) produced album "Return 2 Burn" on Metropolis Records. The band was a mainstay on the circuit in New York City at the time including The Limelight, The Cat Club and L'amour with many of it's contemporaries including Circus Of Power and Blitzspeer. 1991 saw the release of "Viva Los Pendejos" but the band folded again for good in 1992. After laying dormant for 16 years in 2008 the band reunited and are now enjoying a resurgence playing a combination of both styles.
