For Fans of: **POWERMAD, CHARRED WALLS OF THE DAMNED, TESTAMENT, ANNIHILATOR, HAVOK**

Formed all the way back in 1991, Raleigh, NC melodic thrash outfit **GROSS REALITY** amassed an impressive live résumé throughout the early-'90s; sharing the stage with legends such as **BOLT THROWER, CANNIBAL CORPSE, CONFESSOR, DEICIDE, TYPE O NEGATIVE,** and **UNLEASHED**. However, the band had left behind not a single recording at the time of their initial demise in 1996.

Reforming in 2009 at a time when high-level thrash metal was coming back with a vengeance, **GROSS REALITY** continued to gain exposure on the live front, performing alongside longstanding icons such as **DEATH ANGEL** and (at the time) relative newcomers such as **EVILE** and **BONDED BY BLOOD** alike. This culminated in 2014, when Divebomb Records finally unleashed the reunited group's long overdue debut full-length, *Overthrow*.

Now, three years later, **GROSS REALITY's** fine-tuned trio of longtime core members Daniel Powell (bass/vocals), Roland Arthur (guitar), and Jason Wheeler (drums) has prepared their intense sophomore outing, *Escaping Gravity*. The eight-song effort—once again produced by Jamie King at The Basement Recording—features gorgeous cover art by Par Olofsson and delves into lyrical topics as diverse as perseverance, the effects of war, alien abductions, and much more.

Escaping Gravity's individualistic brand of tight, high-energy thrash strikes a constant balance between focused aggression and emphatic melody—at times even dipping its toe into more ambitious and prog-leaning waters, sure to pique the interest of those in search of more technical and complex fare. The end result should appeal to fans of everyone from **TESTAMENT** to **POWERMAD**; not to mention a younger generation of listeners more accustomed to the contemporary sounds of acts like **CHARRED WALLS OF THE DAMNED, HAVOK,** and **GAMA BOMB**.

MARKETING POINTS:

- "Zero Day" lyric video to be serviced to all metal media outlets upon release
- Recorded and mixed by Jamie King (Between The Buried & Me, Scale The Summit)
- Cover art by Par Olofsson (Immolation, Exodus, Job For A Cowboy, Immortal)
- Shared stages with Cannibal Corpse, Deicide, Bolt Thrower, Unleashed and Confessor

For Fans of: **NO COMMENT, CROSSED OUT, INFEST, GAS CHAMBER, NOCOMPLY NEANDERTHAL, WEEKEND NACHOS, NAILS**

Not everything out there is easy and definable. Sometimes things in life are awkward, messy, hard to define, and generally caustic. Raleigh, NC's newest powerviolence force, **OXIDANT**, are all of those. The work on *Deconstruct* offer subtle nods to **NO COMMENT**, **NEANDERTHAL**, and **CROSSED OUT** but while truly summoning the band's own corrosive force. These twelve tracks were pro-recorded at Legitimate Business with Kris Hilbert and expertly mastered by Nick Townsend, this freshmen effort brings all the anger and frustration of living in the South. Members of **NOCOMPLY**, **RUNNING FOR COVER**, **RESIST CONTROL**, **SUPPRESSIVE FIRE**, **FLEABANE**, and **GAS CHAMBER**. To Live A Lie Record's own plays bass on this and I am excited to bring forward my best effort in a band to date.

- Features Will Butler from To Live A Lie Records on bass
- Also features Mike Gifford from **GAS CHAMBER** and **RUNNING FOR COVER** on guitar
- Recorded at Legitimate Business recording studio (recorded **TORCH RUNNER, ABUSE., LAST WORDS, BETWEEN THE BURIED AND ME**)
