IRONFLAME is a traditional heavy/power metal entity born of multi-instrumentalist Andrew D'Cagna. Although the music of *IRONFLAME* finally came to life in late-2016, its growth into fruition had been decades in the making. Andrew grew up in the late-'80s/early-'90s listening to classic metal acts like **IRON MAIDEN, SAVATAGE, HELLOWEEN,** and **JUDAS PRIEST**. He was also lucky enough to have been blessed with a singing voice that lent itself well to the genre. Despite Andrew's given ability, however, he rarely used it—instead becoming influenced by more extreme realms of metal and pursuing such musical interests for 15 years, playing various instruments in death and black metal bands.

Andrew was then recruited by renowned guitarist Jim Dofka as vocalist for the band **DOFKA**, where he honed his raw vocal talent and learned how to sing properly through 2010, performing on the *Humanity Bleak* album. Years later, upon the untimely death of a mutual friend, **DOFKA** reunited for a one-night performance in October of 2016. These events stirred up many old feelings, and Andrew felt it was time to write an album of purely traditional metal.

Thus, **IRONFLAME** was born.

The end result is *Lightning Strikes the Crown*: a 40-minute tribute to the glory days of heavy metal. Free of pretension and arrogance, the music of **IRONFLAME** is catchy, familiar, and hook-laden—just good old fist-banging metal that is as honest as it is memorable. All of the instruments and vocals were performed/recorded by Andrew himself, with the exception of a handful of local guitar buddies recruited for solos—Jim Dofka among them.

IRONFLAME has since grown into an active live band with Jim Dofka (guitar) and James Babcock (bass) from **DOFKA** joining the fray, as well as Quinn Lukas (guitar) from **ICARUS WITCH** and Todd Guerrieri (drums) from **THIS TORTURED SOUL**. Though still in its infancy, **IRONFLAME** has already had the opportunity to share the stage with such heavyweights as **CEREBUS, ARMORED SAINT,** and the legendary **DIAMOND HEAD**. The band will continue to grow and establish itself as a true heavy metal force to be reckoned with...
