

Overview

Founded in 1870, the Wisconsin Dental Association advances the interests of its members and the dental profession by promoting professional excellence and quality oral health care for the public.

Members benefit from our various programs and services, including legislative and lobbying efforts, continuing education, public and patient awareness initiatives, dental practice solutions and cost savings through endorsed companies.

Our research indicated dental hygienists want to be more involved in their profession and help set the future direction of patient care.

The WDA believes dental hygienists should be involved.

In the interest of uniting all persons who contribute significantly to the dental team for the betterment of the profession, the WDA has established a licensed dental hygienist membership category and extends an invitation to you to join.

Member Benefits

Dental hygienist members enjoy these benefits:

- Bimonthly WDA Journal subscription
- Quarterly, interactive app publication
- Access to WDA Insider members-only blog and bimonthly blog recap e-blasts
- Annual WDA Sourcebook (Member Directory & Practice Guide) offers quick access to the Dental Practice Act, administrative rules, frequently asked practice and legal questions, commonly requested phone numbers and more
- Access to members-only areas of WDA.org
- Opportunities to serve on WDA committees
- Discounted rates at InSession On the Road
- Invitation to attend WDA Legislative Day
- Access to life, disability, group health, homeowner's and auto insurance through Professional Insurance Programs and West Bend
- Endless networking opportunities within the statewide dental community
