

WTO

IS COMING TO SYDNEY

The World Trade Organisation is holding a meeting in Sydney on the 14th and 15th of November 2002.

We are inviting all interested people to come along to a spokescouncil meeting to discuss ways in which we can affect the unjust and grossly undemocratic policies of this institution.

WTO policies affect people in every corner of our planet. Now is the chance for Sydney to take a stand for Global Justice.

It will be a non-hierarchical, open and inclusive space for people to discuss and share ideas and visions for

a better future for all of us.
